Ethical Use of Technology & Digital Tools

Technology should empower us, not overpower us.

Education has always been about more than knowledge. It is about shaping minds, nurturing values and preparing young people to make wise choices. In a world driven by technology and Artificial Intelligence, this responsibility has become even more significant.

Technology has transformed how we learn, communicate, and create. Information is no longer scarce; it is available at our fingertips. AI can spark ideas, simplify complex concepts and open new avenues of learning. Yet, with this power comes a question we cannot afford to ignore:

Are we using technology wisely, or are we allowing it to think, decide and live for us?

The difference between the ethical and unethical use of technology is often very small. A tool meant to support learning can become a shortcut to avoid learning. AI can enhance our thinking, but it should never replace **originality, effort or judgement**. The real purpose of technology is to expand human potential—not diminish it.

Ethical technology use also plays a vital role in developing the **whole child IQ – Intelligence:** Technology should encourage curiosity, critical thinking, creativity and problem-solving—not passive consumption.

EQ – Emotional Intelligence: Behind every screen is a person. Empathy, kindness and human connection must never be lost in a digital world.

SQ – Social Intelligence: Technology can connect the world, but meaningful relationships still require respect, collaboration, listening and understanding.

AQ – Adversity Quotient: When every answer is instantly available, we must ensure that children still learn to struggle, persevere, make mistakes and try again. **Resilience cannot be downloaded.**

The digital world also brings challenges like cyberbullying, misinformation, plagiarism, excessive screen time and the constant pressure to compare ourselves with others. The fear of missing out, or FOMO, can quietly take away the joy of simply being present.

Perhaps one of the most important digital skills we can teach our children is the ability to **pause**.

Pause before posting.
Pause before forwarding.
Pause before believing.
Pause before copying.
And sometimes, pause to put the device away and connect with the person beside you.

Our role as educators is not to keep children away from technology. It is to help them develop the **wisdom to use it well**.

Let us nurture a generation that is not merely **tech-savvy, but tech-wise; not merely connected, but compassionate; not merely intelligent, but ethical and resilient.**

Because the future will not be shaped by technology alone; it **will be shaped by the values of those who use it.**

As we move towards **Education 5.0**, let us embrace innovation without losing our humanity. Let technology remain our powerful partner, **never our master**.

Warm Regards

Madhu Talwar

ACHIEVEMENTS

August 05, 2026

Grade XI Students Shine at EDIOS Symposium , Business Summit, BBMS

Mansi Chauhan, Samya, and Avni Puri secured the Third Prize at the prestigious EDIOS Symposium, a Business Summit hosted by Blue Bells Model School.

August 05, 2026

XAVITAS'26 Model United Nations at St. Xavier's

Nitasha Bhutani was awarded the **Best Delegate – International Press (IP)** for her exceptional journalistic skills and insightful coverage.

Adding to the school's achievements, **the school** received the **prestigious Best School Delegation Award**, recognising the collective excellence, dedication, and remarkable performance of its delegates.

August 10, 2026

Xavenium’26 at St. Xavier's High School

* **Veronica Arora** of Grade III secured First Prize in the event 'Myths Beyond Borders', captivating the judges with her confident narration, expressive storytelling, and remarkable stage presence.

* **The Grade III Team** clinched Second Prize in the event 'Ninja Naga Moves' with a vibrant fusion dance celebrating the rich cultural heritage of India and China.

August 12, 2026

Conferencia Model United Nations 2026 – The SDG Conclave, hosted by DAV Public School, Sector-49,

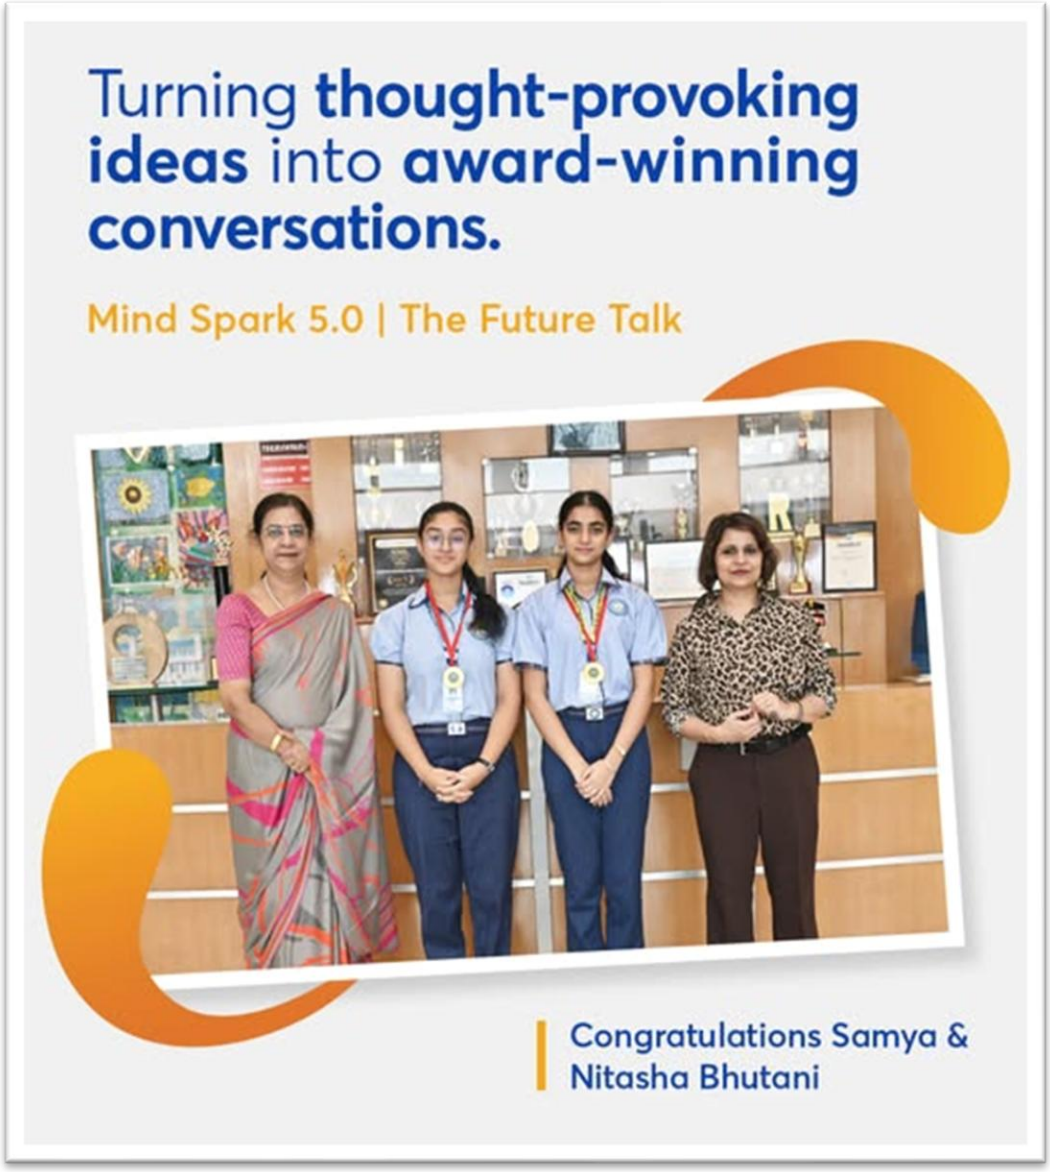

Shanav Vats brought laurels to the institution by winning the prestigious Best Delegate Award in the Rajya Sabha Committee, along with a cash prize, for his exceptional debating skills, insightful arguments, and exemplary parliamentary conduct.

The school secured the **Second Prize** under the Green Impact Award, in recognition of its commitment to sustainability, environmental responsibility, and active participation in initiatives aligned with the Sustainable Development Goals (SDGs).

August 12, 2026

Mind Spark 5.0, hosted by Salwan Public School

Samya (Class XI-B) and Nitasha Bhutani (Class IX-A) won First Prize in The Future Talk at Mind Spark 5.0.

August 14, 2026

Historical Hacking competition held at Shalom Hills, Gurugram.

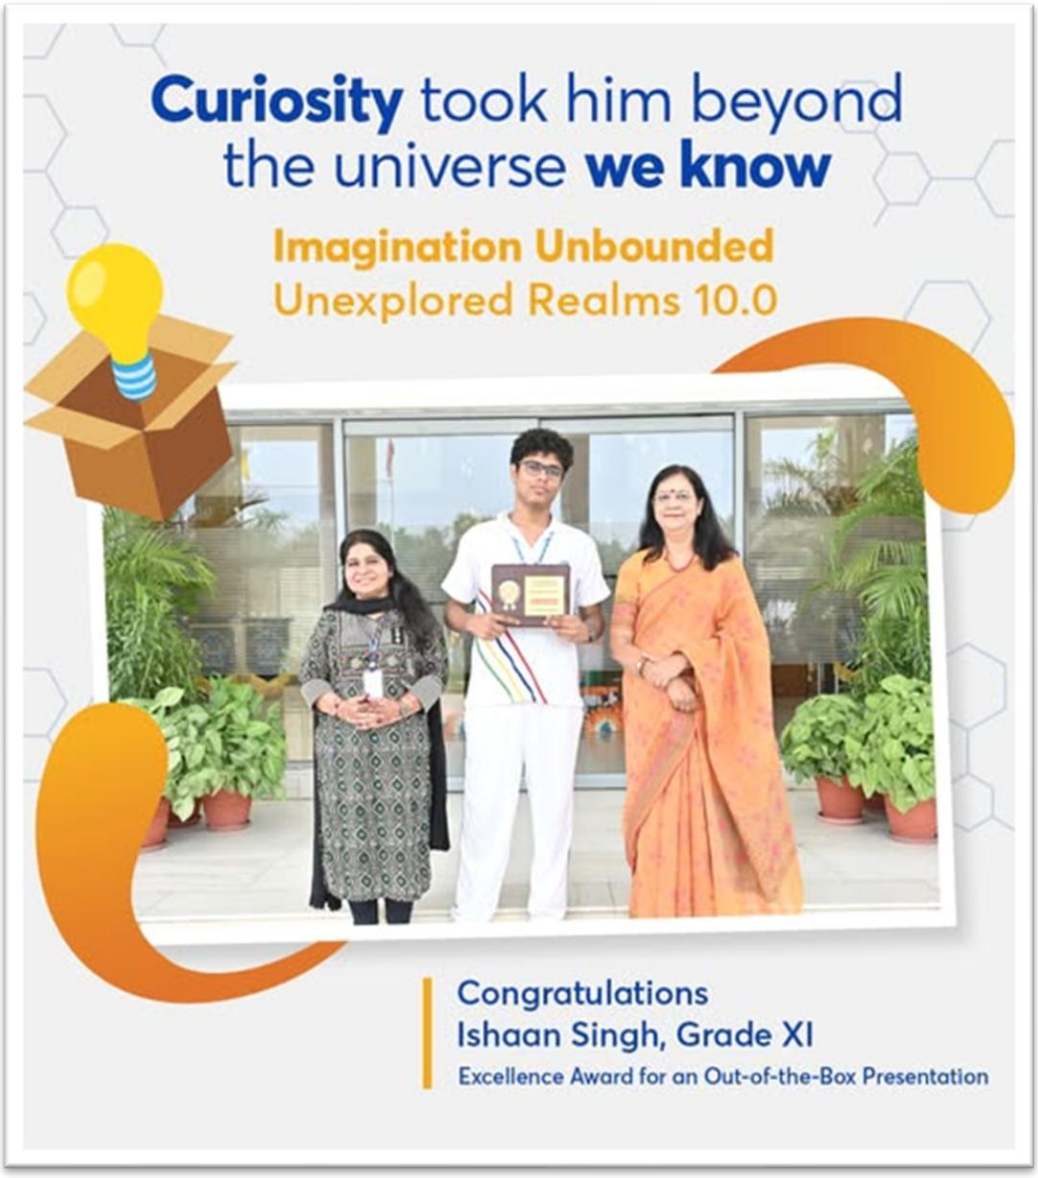

Second Runners-up Position

The competition challenged students to imagine how history could have unfolded differently if modern inventions had existed in the past—for instance, how the course of events might have changed if mobile phones had been available during the time of Julius Caesar.

Competing against several reputed schools, the Blue Bellians impressed the judges with their creativity, critical thinking, confidence, and teamwork.

August 24, 2026

GPSC Inter-School Science Convention – Unexplored Realms 10.0, held at CCA School

Congratulations to Ishaan Singh of Grade XI on receiving the Excellence Award for an Out-of-the-Box Presentation at Imagination Unbounded.

August 31, 2026

Avinya 2026, an inter-school competition hosted by DPSG Sushant Lok

In the DIGICANVA Challenge – Category 2 for Grades X–XII, Mikul Gulati and Samya Sharma of Grade XI B impressed the jury with their innovative approach and earned the First Prize.

In the Sci-Innovators Competition, Gyanav Chauhan, Yash Kumar Sharma and Aditya Tiwari of Grade XII B received the First Prize for their scientific endeavour.

Sports Achievements

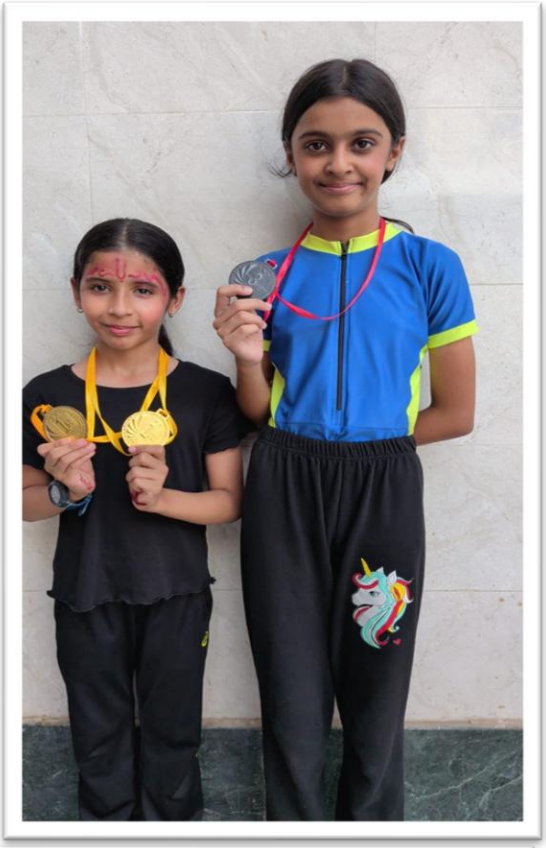

July 23, 2026

6th District Yogasana Sports Championship 2026

- **Ishita (Class VII)** secured First Position in the Rhythmic Yogasana Championship.
- **Hridaya Lohan (Class VI)** secured Third Position in the same event.

July 28,2026

Inter-Branch Skating Competition 2026

Demonstrating remarkable speed, balance, and sporting spirit, our young skaters delivered an outstanding performance, securing top honours across various categories.

The results are as follows:

Vanya (Class II A) – First Position

Gurvi (Class II A), Ayan (Class II A), Bhavya (Class V A), Amyra (Class V B) – Second Position

Devansh (Class III B), Aarav (Class V A), Keyansh (Class III C) – Third Position

August 13, 2026

CBSE Yoga Cluster Championship,

Ishita has secured her place in the CBSE Yoga Nationals in the Artistic Solo category!

Ishita participated in the CBSE Yoga Cluster Championship, held at Bhartiya Senior Secondary School, Rewari Nangal, from 25th to 28th July 2026. Competing against some of the finest young yoga athletes, she secured a place among the Top 5 performers, thereby qualifying for the CBSE Yoga Nationals.

August 13, 2026

CBSE Table Tennis Championship

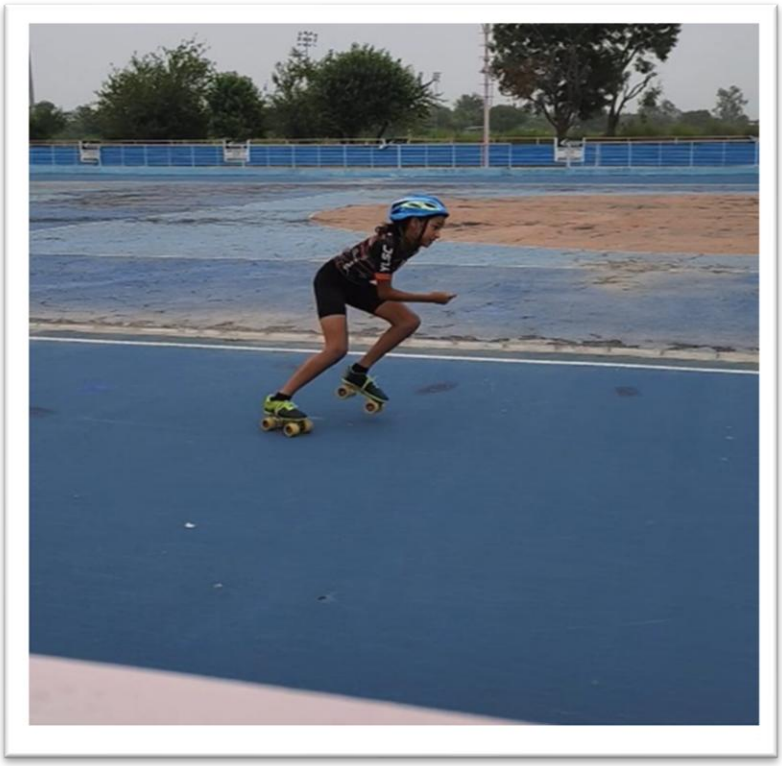

Jai Saxena performed exceptionally well in the **U-19 Boys** category and was selected for the National Table Tennis Championship.

Three Students competed from the school in U-19 Boys category Jai Saxena (XII C), Yatin (XI D), Yatharth Gaur (XI A) and Tanushka (IX A) participated in U-19 Girls Category.

August 13, 2026

SGFI Block Skating Competition

Prisha of Class VI delivered an outstanding performance at the SGFI Block Skating Competition, held at Baliwas Skating Rink on 27th July 2026.

Prisha secured:
3rd Position in the 1000 m Quad Track Race
2nd Position in the 500 m Quad Track Race
Overall 2nd Position in the SGFI Block Skating Competition

With this exceptional performance, Prisha has qualified for the SGFI District Championship.

August 13, 2026

Inter-School Lawn Tennis Competition

Ridansh Taneja (Class I-B) secured the Gold Medal (1st Position) in the Under-8 Category, bringing laurels to the school.

The school also appreciates the participation of Yuvansh Malik (V-C), Navisha Kaushik (V-A), and Abhishek Kumar Shukla (VIII-B), who represented the school with enthusiasm and sportsmanship.

August 13, 2026

5th JSKFI Federation Cup 2026 Karate Championship

Samarth Kumar of Class IX-B showcased exceptional skill, determination, and sportsmanship by winning the Gold Medal at the prestigious 5th JSKFI Federation Cup 2026 Karate Championship. The championship brought together talented karate players from various schools and academies, providing a highly competitive platform for young martial artists.

August 13, 2026

Silver Medal at SGFI Athletics Competition

Naisha Singhal of Grade VII-B won the Silver Medal in the Discus Throw (Under-14 Girls) event at the SGFI Athletics Competition held at Tau Devi Lal Stadium.

August 13, 2026

SGFI Block Yoga Competition

Our young yogis displayed exceptional flexibility, balance, discipline, and dedication, securing the following accolades: In the Under-14 Girls-

Artistic Pair: Ishita (Grade VII) & **Hridaya (Grade VI) – 1st Position**

Traditional Event: Ishita (Grade VII) – 2nd Position

Traditional Event: Hridaya (Grade VI) – 3rd Position

Under-17 Girls

Artistic Solo: Ishika (Grade VII) – 3rd Position

Under-14 Boys

Rhythmic Pair: Pranav (Grade VI) & **Bhavya (Grade VI) – 2nd Position**

August 14, 2026

Block-Level Cricket Trials

Two girl students from our school participated in the trials in their respective age categories:

1. Poorva Yadav (XII A) – Under -19 Category selected for Gurugram District Team
2. Navika (IX)- Under-17 Category selected for Gurugram District Team

Both students demonstrated commendable performance and commitment during the trials. The selectors appreciated their efforts, and both Poorva and Navika have been selected to represent the Gurugram District Team in their respective age categories.

August 14, 2026

SGFI Cricket District-Level Selection Trials

Yug was selected by the District Cricket Association to participate in the trials and has performed impressively. He is among the few left-arm bowlers competing at the selection level, which adds to his strength and uniqueness as a player.

Following the trials, Yug has been shortlisted among the 20 players currently in contention for the Gurugram District Team, from whom 18 players will be finally selected.

August 31, 2026

ASCEND – The Udaan 2026, an Inter-school Event at Ryan International School, Sector 31, Gurugram.

Khiansh Chopra of UKG secured the Third Position in the Hula Hoop Hop Race, displaying remarkable coordination, enthusiasm and a never-give-up attitude.

Adding another feather to the school's cap, Neerav Singh of Class II-C bagged the Third Position in the Ball Transfer Challenge. His focus, speed and confidence were truly commendable.

September 15, 2026

Tagged 6.0 @ Tagore International School, New Delhi

Rohit Yadav (Grade XI) and Tanmay Singh (Grade X) proudly represented the school at #TAGGED 6.0, held on 25 August 2026 at Tagore International School, East of Kailash, New Delhi. They bagged Second Position in the NeoDrive Robotics Challenge, the team designed and operated a futuristic vehicle addressing mobility challenges of tomorrow.

September 15, 2026

Chrysalis 6.0 @ Gems International School , Gurugram

Recognition: Outstanding Performance

With his enthusiasm, confidence, creativity and vibrant spirit, Karun showcased an impressive performance and earned well-deserved recognition at the competition.

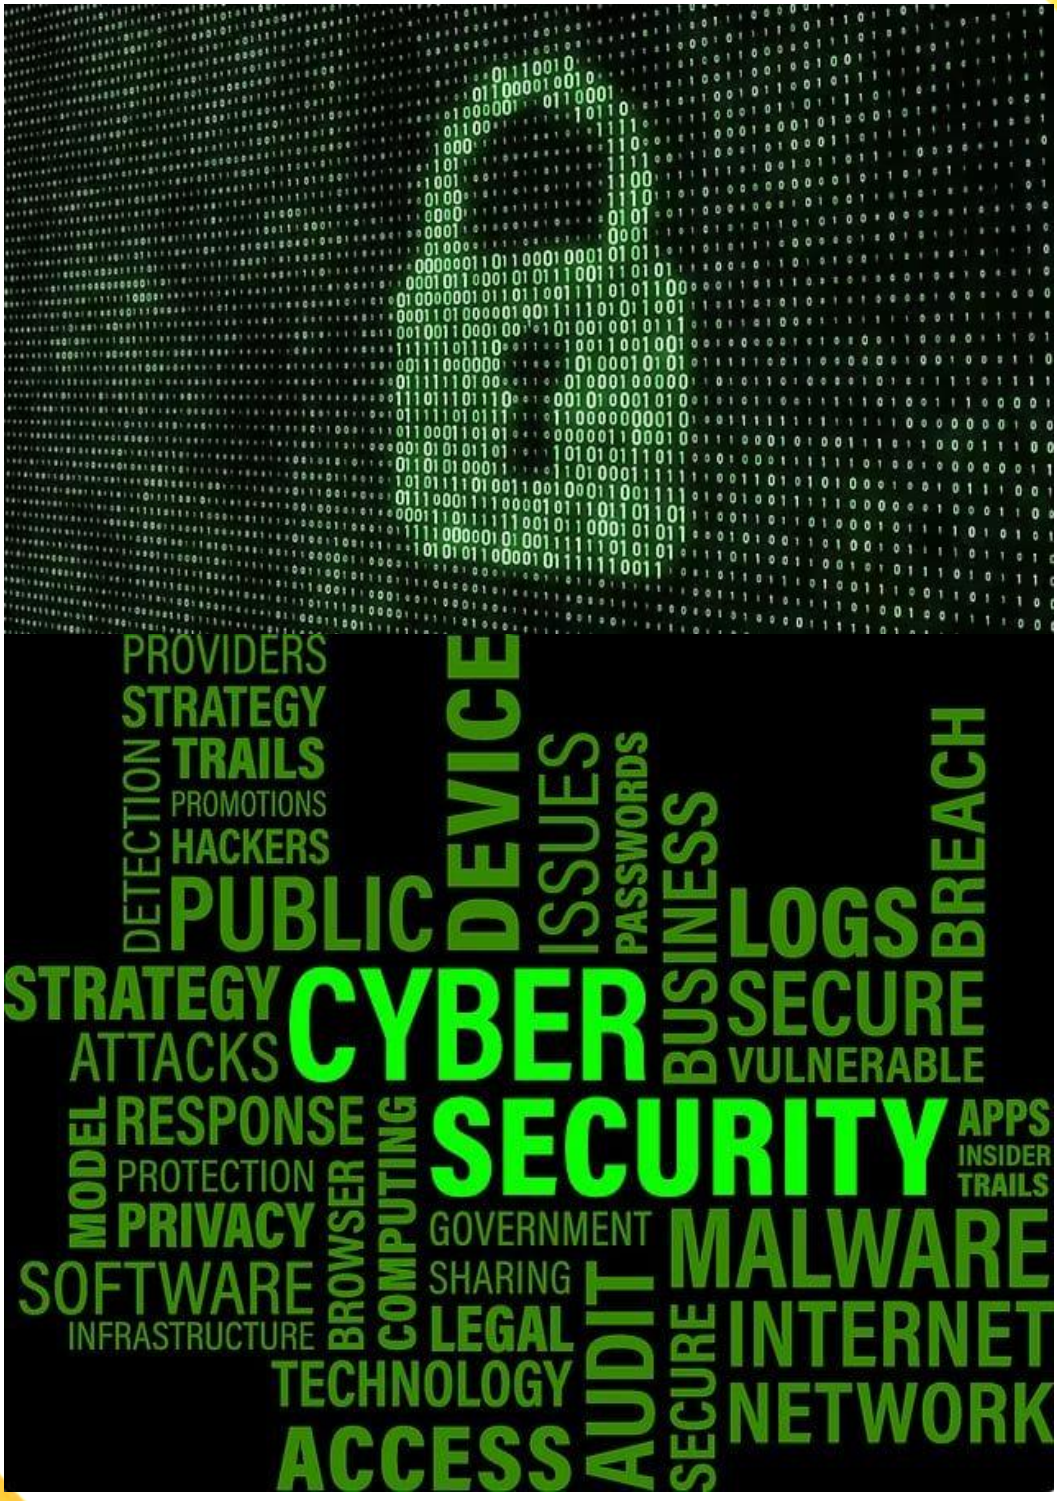

September 25, 2026

Talent Utsav 26@ DPS, Sec-45, Gurugram

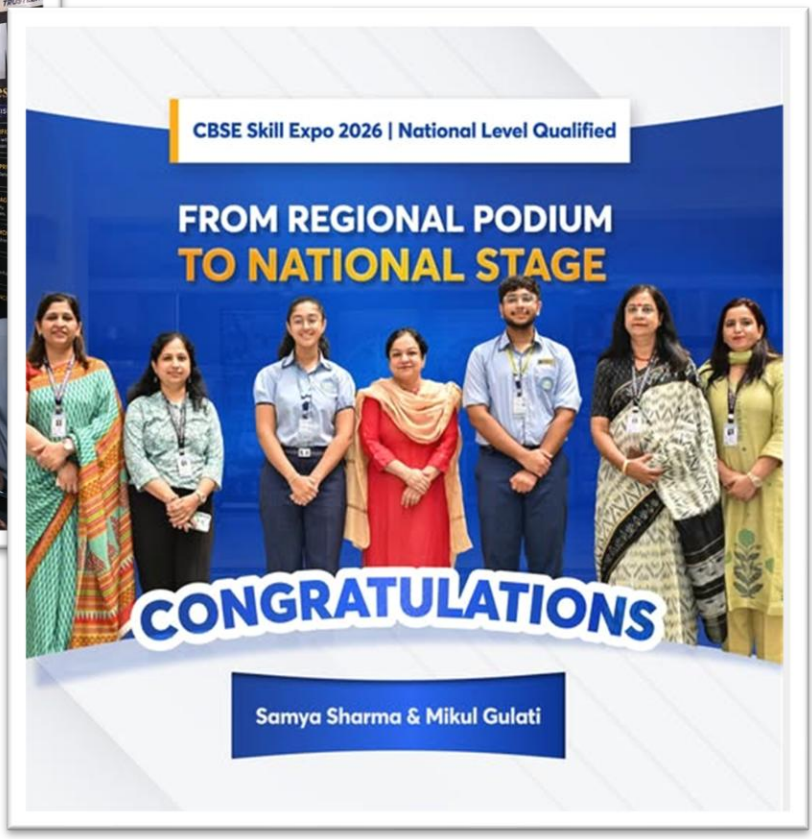

Hassi Ke Rang – Hindi Recitation Rudrakshee Parmar of LKG bagged the 1st Prize, captivating the audience with her confident and expressive Hindi recitation.

Mélange of Colours – Art & Craft Keyansh Sethi and Dhanvit Gauba of Grade I bagged the Second Runner-Up Prize, showcasing their creativity and imagination through a vibrant geometric art composition.

BD Blue Bells Public School Shines at CBSE Skill Expo 2026!

Mikul Gulati and Samya Sharma
Second Position
(Regional Level)

Samya Sharma and Mikul Gulati of Grade XI B have secured the **Second Position** at the **Regional Level in the CBSE Skill Expo 2026 under the Entrepreneurship & Financial Literacy category.**

Their innovative project, **"TrustLens AI"**, uses Artificial Intelligence to help small businesses safeguard themselves from cyber threats while promoting financial awareness and informed decision-making. Competing against 160 projects from nearly 50 schools across the NCR region, the team has also qualified for the National Level of CBSE Skill Expo 2026.

The team is among the only 5 projects from the Regional Level that have qualified for the National Level, which is scheduled to be held in January 2027.

Heartiest congratulations to Samya, Mikul and their mentor, Ms. Anju Luthra, on this remarkable achievement!

Neural Nexus Shines at Avishkaar League Internationals: Malaysia

The senior robotics team Neural Nexus, comprising Rohit Yadav (Class XI), Tanmay Singh (Class X), and Dev Chauhan (Class X), represented the school at the Avishkaar League International Level, held in Kuala Lumpur, Malaysia, on 13 June 2026.

Competing against talented teams from different countries, the students showcased exceptional innovation, technical expertise, teamwork, and problem-solving skills. Their dedication and perseverance earned them Second Position at this prestigious international event, bringing laurels to the school and making the entire school community proud.

Adding to this remarkable achievement, the team's teacher mentor Ms. Sunita Yadav was honoured with the Shilpkar Award in recognition of unwavering support, guidance, and commitment to nurturing young minds and fostering excellence in robotics and innovation.
This accomplishment reflects the hard work of the students, the encouragement of their parents, the dedication of the mentors, and the continuous support of Ms. Anshuka Aneja, Associate Director – IT, Blue Bells Group of Schools, in promoting technological learning and providing students with opportunities for global exposure.

We extend our heartfelt congratulations to the students, their parents, mentors, and the entire management team on this outstanding milestone.

Cyber Security Internship Students Launch PROJECT SEEN — A Powerful Initiative for Online Safety Awareness

The school is proud to share the successful release of PROJECT SEEN, a compelling awareness short film created by our Cyber Security Internship students. The students participated in the internship under the inspirational mentorship of Ms. Anshuka Aneja, Associate Director -IT, Blue Bells Group Schools and Cyber Council teacher mentors. The film addresses critical issues such as cyberbullying, online grooming, fake profiles, cyber harassment, and digital safety for young girls and teenagers.

The project has received appreciation and recognition from Dr. Rakshit Tandon, Cyber Security Evangelist and the Cyber Police, Gurugram for its meaningful contribution towards cyber awareness and student safety.

Through impactful storytelling and real-life digital concerns, PROJECT SEEN aims to educate young people about the potential risks of the online world while encouraging them to remain vigilant, make informed choices, and seek timely support whenever they encounter cyber threats or harassment.

Watch the project here:
https://www.instagram.com/reel/DZ_roLApO8z/?igsh=dTF0YjhmY3o2MGoz

This achievement reflects the dedication, creativity, and social responsibility of our students. Their work exemplifies how education can empower young minds to use technology not only with awareness and responsibility, but also as a tool for creating positive social impact

BLUE BELLIANS TRIUMPH AT SAMVID 5.0

BD Blue Bell Public School proudly celebrates the remarkable achievement of our Class XI students-Samya Sharma, Mikul Gulati, and Aditya Tyagi who emerged as Winners in BizDefend, an inter-school competition hosted during Samvid 5.0 at Rotary Public School, Gurugram, on July 24, 2026.

The challenge revolved around the theme "Redefine Business in a Cyber-Secure World" and invited participants to take part in the Safe Sphere AI Challenge. Students were required to conceptualise and present AI-enabled solutions that could empower small businesses to tackle evolving cyber risks, including identity theft, deepfakes, and data breaches.

Rising to the occasion with confidence and ingenuity, our students developed an innovative solution that combined technological insight with practical relevance. Their impressive presentation, critical thinking, and collaborative spirit earned them the top honour among participating schools.

This outstanding accomplishment reflects their dedication, creativity, and ability to apply emerging technologies to solve contemporary challenges. It is a proud moment for the entire Blue Bell family.

Nurturing Responsible Digital Citizens Through Storytelling

In today's digital world, helping children develop safe and responsible online habits is just as important as academic learning. Keeping this in mind, our students participated in an engaging storytelling session that introduced them to the essentials of cyber safety, responsible gaming, and mindful digital behaviour.

The programme was conducted under the inspiring mentorship of Ms. Anshuka Aneja, Associate Director – IT, BBGS, whose relentless commitment to promoting digital literacy continues to empower young learners with the knowledge and values they need to thrive in an ever-evolving technological landscape. Her guidance ensured that the session was both impactful and relevant, leaving students better prepared to embrace the digital world with confidence and responsibility.

Through captivating stories scripted by Ms. Ruchi Mangla and shared by Ms. Aarti Jha and Ms. Poonam Sao, students explored everyday digital situations in a way that was both relatable and thought-provoking. The stories encouraged them to think before they click, protect their personal information, maintain a healthy balance between screen time and offline activities, and use technology with responsibility and empathy.

Selection Round for National Level Robotics Championship

The Selection Round for the Robotics Club students of Classes VI–VIII was organized today in the school. All the participating students showcased great enthusiasm and interest in robotics. The event was judged by Mr. Shubham and Ms. Sonika from Vigyantram, who assessed the students on their robotics skills, technical understanding, and performance. The selected students will get the opportunity to showcase their robotics skills and represent the school at the National Level Championship at IIT Delhi. The selection round provided students with a valuable platform to demonstrate their creativity, problem-solving abilities, and passion for robotics.
The list of selected students is as under:-

S.No.	Name	Result
1	Parth Sharma	Selected
2	Amol Sharma	Selected
3	Adinath Nair	Selected
4	Aarav Sharma	Selected
5	Yashvardhan Singh Parmar	Selected

At **Blue Bells Group of Schools**, learning comes alive when students can **lead, explore, express, and take ownership of their learning**. This edition of **The Learning Space** (Learning & Development Department) Newsletter celebrates a series of enriching, student-focused initiatives undertaken during **July–September 2026**, under the mentorship of **Ms. Soumya Gulati, Associate Director – Academic Development and Innovation, Blue Bells Group of Schools**.

From **Student-Led Conference (VI-VIII),** where learners took ownership of their learning journey, to the **Back-to-School Series and Gallery Walk (Nursery, LKG & UKG),** which provided joyful spaces to reconnect, collaborate, reflect, and celebrate learning, each initiative placed students at the heart of the experience. In **Grades I & II, Mathletics** transformed mathematics into a joyful, hands-on experience through movement, play, and discovery.

Together, these endeavours nurture learning experiences where curiosity is encouraged, voices are valued, and every child is empowered to learn with confidence, joy, and purpose.

Because when students take the lead, learning truly comes alive.

Student-Led Conference

Celebrating Learning, Leadership & Student Voice!

The school proudly hosted the Fourth Edition of the **Student-Led Conference (SLC) 2026–27** on August 22, 2026, for students of Classes VI–VIII.

The SLC empowered students to take ownership of their learning by presenting their academic progress, achievements, projects, portfolios and reflections to their parents, while nurturing essential 21st-century skills such as communication, critical thinking, creativity, collaboration, leadership, self-management and problem-solving.

The conference also strengthened the school–parent–student partnership, making learning more reflective, meaningful and student-centred.

A wonderful celebration of student voice, confidence, reflection and growth!

Back to School Series

The school organised an engaging **'Back to School Series' for parents of Nursery, LKG, and UKG** students on September19, 2026. The initiative provided parents with an opportunity to reconnect with the school's learning environment and gain meaningful insights into the pedagogical practices and experiences designed to nurture young learners.

Rooted in the principles of experiential, joyful and child-centred learning, the sessions offered parents a glimpse into the innovative approaches adopted to make learning purposeful and age-appropriate.

For the parents of Nursery students, a 'Reading & Writing Readiness' session was conducted, introducing them to foundational skills and developmentally appropriate strategies that support early literacy. The session also highlighted simple ways parents can reinforce these skills at home through engaging, meaningful activities.

LKG parents participated in 'Fun with Numbers', which showed how to introduce mathematical concepts through playful, enjoyable experiences. For UKG parents, the 'Read-O-Phonics' session showcased an interactive approach to strengthening early reading and phonics skills, making the learning process engaging and effective.

A vibrant Gallery Walk was organised for all the parents, providing them with an opportunity to explore and appreciate the creative work and learning experiences of the students. The displays reflected the children's imagination, curiosity, participation and progress, offering parents a closer glimpse into their learning journey.

In addition, a Gallery Walk was curated for the Playgroup students, showcasing their age-appropriate creative explorations and early learning experiences in a colourful and engaging manner.

The 'Back to School Series' served as a meaningful platform for strengthening the partnership between parents and the school. The enthusiastic participation and positive response from the parents reflected their appreciation of the school's progressive academic vision and its continued endeavour to nurture confident, joyful and well-rounded learners.

Mathletics (Grades I and II)

Taking forward the Back-to-School Series, the school hosted **Mathletics - The Power of Numbers** for Grades I and II.

With **'Food - Making Healthy Choices'** as the central theme, the event brought mathematics to life through engaging presentations, games, art, music, dance and sports. Curated learning spaces such as Math Meets Art and The Mathematical Cafe encouraged students to apply mathematical concepts creatively and confidently.

Another highlight was the Math & Technology segment, where students became young instructors and engaged parents through Tux Typing's Number Name Challenge and Tux Paint's Shape Drawing Challenge, fostering mathematical thinking, digital literacy and parent-child interaction.

With 100% student participation, Mathletics celebrated experiential learning and encouraged learners to discover mathematics as a joyful and meaningful part of everyday life.

Health & Wellness
Nurturing the Whole Child

"Well-being is not a destination; it is the foundation from which children learn, grow, and flourish."

At BD Blue Bells Public School, we believe that true education nurtures the Child's body, mind, and heart.

The Health & Wellness Programme integrates mindfulness, wellness initiatives, and experiential learning into everyday school life. Through these experiences, students develop self-awareness, resilience, empathy, and positive life skills, empowering them to make healthy choices and embrace life with confidence and balance.

Wellness is not just about being healthy; it is about growing into a happier, stronger, and more compassionate human being.

INCREDIBLE ACCOLADES

School Mental Health Conclave 2026

Reaffirming its commitment to fostering emotionally safe and mentally healthy learning environment, the school proudly participated in the **School Mental Health Conclave 2026**, organized by Expressions India, New Delhi and the **School of Behavioural Sciences, SGT University**, at the **India Habitat Centre, New Delhi**, on **9 July 2026**.

The conclave brought together educators, school leaders, mental health professionals, and wellness advocates from various Government and Non-Government Organizations to deliberate on strengthening mental health practices within educational institutions. Through insightful discussions and the exchange of best practices, the event highlighted the collective responsibility of schools in nurturing the emotional well-being of every learner.

Adding to this proud occasion, **Ms Roopali Kudesia, Principal, BD Blue Bells Public School, was felicitated with Excellence award for School Mental Health Practices and Ms Renu Khare, School Counsellor was felicitated with the Socio- Emotional Well- being Champion Award in recognition of their exemplary commitment to promoting holistic well-being, social-emotional learning, and comprehensive mental health initiatives.**

BDBBPS Clinches First Position in Manasvita – The National Inter School Wellness Quiz (Online Mode)

With immense pride, we are delighted to share that our school team, Samya Sharma and Sarvathmika U.J., has secured the coveted Positions in the National Online Wellness Quiz conducted by Expressions India.

Their remarkable performance throughout the competition reflects their knowledge, perseverance, teamwork, and unwavering commitment to excellence. The team consistently demonstrated their calibre across all three rounds:

This outstanding achievement at the national level is a testament to their dedication and determination. Samya and Sarvathmika have truly inspired us to believe that consistent effort, a positive spirit, and the courage to strive for excellence can turn aspirations into achievements.

MindSmart 2026 – 3rd Peer Educator Workshop & Valedictory Ceremony

The **3rd and Final Peer Educator Workshop and Valedictory Ceremony of MindSmart 2026 – The Life Skills & Wellbeing Leadership Course for Adolescent Peer Educators**, organised by **Expressions India**, was held on **27 August 2026** at **National Bal Bhavan, New Delhi**. The year-long initiative focused on strengthening life skills, emotional resilience, leadership, and well-being among adolescents.

BD Blue Bells Public School, under the inspiring mentorship of **Dr. Alka Saxena**, was represented by peer educators **Hemank Yadav (XII C), Aanya Arora (X A), Harnoor Brar (X B), and Dilisha Madaan (X C)**.

The workshop addressed relevant concerns such as **responsible digital engagement, prevention of high-risk behaviours, and life skills for career decision-making**. Interactive role plays and activities on emotional coping, peer pressure, decision-making, and cyberbullying encouraged self-awareness, teamwork, adaptability, and problem-solving.

The **Valedictory Ceremony** recognised the peer educators as ambassadors of well-being. They were felicitated by **Prof. H.K. Chopra, Chief Cardiologist, Medanta Moolchand Medicity Hospital, New Delhi; Prof. Kalpana Srivastava, Director, Amity Institute of Behavioural Health & Allied Sciences; and Ms. Kamal Gill, Executive Editor & Managing Director, Gill India Group, along with Dr. Jitendra Nagpal, Programme Director, Expressions India.**

The programme concluded on an inspiring note, with students reaffirming their commitment to promoting **empathy, resilience, and responsible leadership** within their school community.

EVENTS ORGANIZED UNDER THE HEALTH & WELLNESS PROGRAMME

International Yoga Day

In celebration of International Yoga Day 2026, a special Chair Yoga session was organized under the inspiring theme, "Yoga for Healthy Ageing." on June 19, 2026. The session aimed to promote physical well-being, mental peace, and holistic health through accessible yoga practices suitable for all age groups.

The participants enthusiastically engaged in a series of simple yet effective chair-based yoga postures, breathing exercises, and relaxation techniques. The session cited the importance of maintaining flexibility, balance, mindfulness, and emotional well-being as essential components of a healthy and fulfilling life.

The event served as a gentle reminder that yoga is not merely a form of exercise but a way of life that nurtures harmony between the body, mind, and spirit. Through mindful movement and conscious breathing, participants experienced moments of calm, rejuvenation, and self-awareness.

Big Benefits.

A moment to stretch.

A moment to breathe.

Doctor's Day

“Wherever the art of medicine is loved, there is also a love of humanity." — Hippocrates

The school, under the aegis of Health & Wellness Programme, observed Doctor’s Day on July 1 and July 3, 2026 to salute the commitment and compassionate service of the medical fraternity. Special assemblies in the Pre Primary, Primary and Middle Wings were conducted to celebrate the invaluable role of doctors as guardians of health and hope.

The occasion came alive through eloquent poems, inspiring reflections, and thoughtful presentations by students, who paid tribute to the resilience, empathy, and selfless spirit of healthcare professionals. Their confident participation reflected a deep appreciation for the noble profession and reinforced the values of compassion and service.

A key highlight of the celebration was an engaging awareness session conducted by the school's medical team, Dr. Rita Kakkar and nurses Ms. Nisha and Ms. Neelam, on First Aid Essentials and Monsoon Health Tips. The interactive session equipped students with practical knowledge on preventive healthcare and personal hygiene, empowering them to make informed health choices.

Adding a heartfelt touch to the celebration, students presented handcrafted appreciation cards to the school doctor and nurses as a token of gratitude for their unwavering care and dedication. The assembly concluded with an inspiring message from the Principal and Wing Leaders, who applauded the invaluable contribution of healthcare professionals. They further encouraged the students to respect and value their contribution and emphasized adopting a healthy lifestyle.

Study Skills Module For Grade XI

“The seeds of dedication sown today become the victories we celebrate tomorrow.”
In a world that moves at lightning speed, true success is not measured by how much we study, but by how wisely we learn, how consistently we practice, and how confidently we apply our knowledge. With this vision, a transformative session on Study Skills was conducted on July 22, 2026, for the students of
Grade XI ,under the aegis of ADEPT – A Programme for Enhancing Life Skills, Powered by wellnesswise.in.

The session inspired students to believe in their potential and take charge of their learning journey. Through practical strategies such as the PQRST Method, effective note-making, reading and writing skills, and exam time management, students learned how to study smarter and stay organized. Equal emphasis was placed on maintaining a healthy, distraction-free lifestyle to improve focus and productivity.

Interactive discussions allowed students to openly share their concerns, which were addressed with empathy and encouragement. More than a workshop, the session became a reminder that every sincere effort is a step closer to one’s dreams. It empowered students with the confidence, discipline, and determination needed to face challenges and strive for excellence in both academics and life.

THE EMPOWERMENT WORKSHOP

TO EDUCATE, EMPOWER AND INSPIRE

Understanding Emotions: Building Stronger Classrooms Through Self-Awareness

"A teacher who understands emotions doesn't just educate minds, they nurture lives." – Anonymous

At B D Blue Bells Public School , we believe that emotionally empowered teachers create emotionally secure classrooms. Under the aegis of ADEPT – A Program for Enhancing Life Skills, powered by Wellnesswise.in, the school conducted a recap session on Understanding Emotions for educators of Grades III–VIII on July 15, 2026.

Designed under the guidance of Dr. Alka Saxena, the session reinforced the philosophy that every emotionally intelligent classroom begins with an emotionally aware educators. Through reflective discussions, experiential activities, role-plays, and collaborative learning experiences, participants examined the science behind emotions and their profound influence on thoughts, behaviors, relationships, decision-making, and overall well-being.

Teachers explored practical strategies for managing emotions with greater awareness, including mindful pausing, perspective-taking, self-reflection, emotional regulation, and responding thoughtfully rather than reacting impulsively. These simple yet powerful practices reinforced how emotional intelligence strengthens personal well-being while fostering healthier relationships with students, colleagues, and families.

Career Counselling & Guidance

with Different Groups

Career Counselling Programme: A Journey from Potential to Purpose

"A career is not simply a destination; it is a journey of discovering one's strengths, aspirations, and purpose." With this vision, the school successfully conducted the **first phase of its Career Counselling Programme for students of Classes IX and X** during April and May 2026 under the expert guidance of Dr. Alka Saxena. The initiative witnessed enthusiastic participation from both students and parents, reflecting a shared commitment towards informed career planning.

To ensure greater accessibility and engagement, dedicated online sessions were organized for parents. These interactive discussions highlighted the significance of making thoughtful career choices in an ever-evolving world and explored emerging career opportunities, future-ready skills, aptitude, and personal interests.

The professional career counsellors from iDreamCareer encouraged students to look beyond societal expectations and external influences, empowering them to make independent and informed decisions. Through meaningful conversations and guided reflection, students were inspired to recognise their unique talents, passions, and aspirations while exploring diverse career pathways aligned with their individual potential.

An important component of the programme was the psychometric assessment conducted in the school computer laboratory. These scientifically-designed assessments provided valuable insights into students' aptitude, personality traits, interests, and career inclinations, enabling them to better understand themselves and make more informed academic and career choices.

The school successfully conducted **the Second Phase of its Career Guidance Programme for Grade XII students in July,** a thoughtfully designed five-day initiative that brought together students, parents, and professional career counsellors in a shared journey of exploration, reflection, and informed decision-making.

The programme began with an insightful Career Awareness Session, introducing students to emerging career opportunities, leading institutions, entrance examinations, and key application timelines.

A key highlight of the programme was the series of personalized one-on-one counselling sessions, where each student, accompanied by their parents, received expert guidance tailored to their unique strengths, interests, aptitude, personality, academic profile, and career aspirations. To further support students in their journey, each participant would receive a comprehensive Career Synopsis and Written Recommendation available on iDreamCareer dashboard, offering a personalized roadmap with actionable guidance. This valuable resource will help students make informed choices, stay organized through the admission process, and confidently take the right steps at the right time.

GRADE- XII
"The best career choices are not made by chance, they are made through self awareness, exploration, and informed decision"

Summer Internship: Empowered by Student Agency. Inspired by Experience.

The students participated in a two-week internship programme with iDreamCareer (iDC), gaining exposure to two dynamic professional domains-iDC BlueSpring, focusing on Data Analytics and Digital Communication, and Greyscale Studios, specializing in Creative Design and Branding.

As part of this enriching experience out of 50 students from all over India, Shreya Ravi Srivastava, Lovitr Grover and Yatin were selected and gained hands-on exposure to creative design, data analytics, and digital communication.

Shreya who interned with Greyscale Studios, impressed her mentors with creativity, keen visual sense, and ability to quickly master design tools while working on branding, marketing and social media projects.

Yatin was introduced to graphic design fundamentals, covering Canva and design tools, design basics, typography, colour theory & branding followed by applied learning in logo design, social media post design, poster and banner design, reels covers and YouTube thumbnails, and packaging and product design.

Lovitr, interned at iDC BlueSpring, demonstrated outstanding analytical aptitude and remarkable growth in communication skills. He also co-hosted a live industry interaction, earning an additional certificate in recognition of his initiative and confidence.

Second Phase of Career Counselling – Grade X

The school successfully conducted a five-day Career Counselling Programme in July to empower Grade X learners with the clarity, confidence, and skills to make informed academic and career choices.

The programme commenced with an engaging Career Awareness Session, setting the stage for four days of personalised one-on-one counselling conducted by expert career counsellors from iDreamCareer, the school's career guidance partner. Drawing on each student's psychometric assessment report, the counsellors facilitated meaningful discussions on individual strengths, interests, aptitude, personality, and subject preferences, enabling students to make well-informed academic and career decisions.

The programme moved beyond the conventional career guidance and inspired students to research career pathways, subject combinations, higher education opportunities, and emerging professions, while reflective assignments helped them connect their aspirations with realistic goals and informed choices.

Parents actively participated in the counselling process, making it a collaborative journey of exploration and planning. The personalised interactions were widely appreciated for providing greater clarity, building confidence, and offering meaningful direction.

Dear Reader

Each one of us carries within us a quiet source of strength, hope, and positive energy. At times, all we need is a moment to pause, look within, and remind ourselves of the strength we already possess. With positive thoughts, sincere effort, and thoughtful action, we can gradually overcome challenges and move closer to our aspirations.

We sincerely hope you enjoy reading this edition of our e-Newsletter. We look forward to connecting with you again in our next issue, as we continue to share our initiatives, achievements, experiences, and endeavours.

Thank you for being a part of our journey and for your continued encouragement and support.

With Warm Regards
Editorial Team
