Today's education is a critical factor in shaping a child's future. It is not just about imparting knowledge but also about instilling values and skills that will help them thrive in a rapidly changing world. As a parent, I understand the importance of choosing the right educational path for my child. In this article, I share my insights on the early formative years of education and how we can ensure our children are well-prepared for the future.

When I started my own school, I was inspired by the need for a holistic education that focuses on the child's overall development. We believe in providing a nurturing environment where children can learn, grow, and explore their interests. Our curriculum is designed to be age-appropriate and engaging, with a focus on foundational skills and critical thinking.

One of the key challenges in early education is ensuring that children are not just passive recipients of information but active participants in their learning. We encourage open-ended questions and encourage children to express their thoughts and feelings. This helps them develop a love for learning and a sense of ownership over their education.

Another important aspect is the role of parents. We believe in a strong partnership between home and school. Regular communication and involvement from parents are essential for the child's success. We provide workshops and resources to help parents understand the early years of education and how they can support their child's learning at home.

Finally, I believe in the power of play. Play is not just a fun activity; it is a crucial part of a child's development. It helps them learn social skills, problem-solving, and creativity. We incorporate play into our curriculum and provide a variety of play materials to support their learning.

VOICE OF EXPERIENCE

CHAIRMAN SIR

प्रिय छात्रों ,

भारतीय शिक्षा पद्धति विश्व में सबसे प्राचीन एवं प्रासंगिक है जो न केवल छात्रों को सबसे बेहतर अपितु उनका सर्वांगीण विकास भी करती और इस पद्धति की विशेषता पूरा विश्व मानता है। इसीलिए आज भी विश्व में भारतीय विद्यार्थियों को किसी भी क्षेत्र में सबसे महत्वपूर्ण स्थान प्राप्त है और भगवद गीता भारतीय शिक्षा प्रणाली में एक महत्वपूर्ण योगदान देता है।

"गीता सुगीता कर्तव्या किमन्येः शास्त्र विस्तरैः।

या स्वयं पद्मनाभस्य मुख पद्माद्विनिःसृता"।।

भगवद गीता और भारतीय शिक्षा प्रणाली में इसकी प्रासंगिकता

भगवद गीता, जिसे अक्सर गीता के रूप में जाना जाता है, एक पवित्र हिंदू धर्मग्रंथ है जो जीवन के लिए एक मार्गदर्शक के रूप में कार्य करता है और मूल्यवान दार्शनिक अंतर्दृष्टि प्रदान करता है। प्राचीन भारतीय ज्ञान में निहित, गीता नैतिकता, कर्तव्य, आध्यात्मिकता और आत्म-प्राप्ति सहित मानव अस्तित्व के विभिन्न पहलुओं को संबोधित करती है। हाल के दिनों में, भारतीय शिक्षा प्रणाली को आकार देने में भगवद गीता की शिक्षाओं की प्रासंगिकता की मान्यता बढ़ रही है। यह आलेख भारतीय शिक्षा ढांचे में गीता के सिद्धांतों को शामिल करने के संभावित लाभों और अनप्रयोगों की पड़ताल करता है। भगवद गीता नैतिक आचरण और नैतिक मूल्यों पर जोर देती है। इन सिद्धांतों को शिक्षा प्रणाली में एकीकृत करने से छात्रों में सत्यनिष्ठा, ईमानदारी और करुणा की भावना को बढ़ावा देने में मदद मिल सकती है।

गीता का अध्ययन करके, छात्र एक धार्मिक जीवन जीने और नैतिक विकल्प चुनने के महत्व की गहरी समझ प्राप्त कर सकते हैं, जिससे उनके चरित्र और व्यवहार को आकार मिलता है। भारतीय शिक्षा ने पारंपरिक रूप से समग्र विकास पर जोर दिया है, जो किसी व्यक्ति के बौद्धिक, भावनात्मक और आध्यात्मिक रूप से समग्र विकास पर ध्यान केंद्रित करता है। भगवद गीता आत्म-बोध और ज्ञान की खोज में मूल्यवान अंतर्दृष्टि प्रदान करती है। गीता की शिक्षाओं को शामिल करके, शिक्षा प्रणाली छात्रों को एक सर्वांगीण व्यक्तित्व विकसित करने, उनकी बौद्धिक क्षमताओं का पोषण करने के साथ-साथ भावनात्मक बुद्धिमत्ता और आध्यात्मिक जागरूकता को बढ़ावा देने के लिए प्रोत्साहित कर सकती है। आधुनिक शिक्षा प्रणाली में छात्रों को अक्सर अत्यधिक दबाव और तनाव का सामना करना पड़ता है। भगवद गीता तनाव प्रबंधन और मानसिक संतुलन प्राप्त करने के लिए व्यावहारिक तकनीक प्रदान करती है। यह वैराग्य, सचेतनता की कला और जीवन की चुनौतियों के बीच आंतरिक शांति बनाए रखने का महत्व सिखाता है। ऐसी शिक्षाओं को एकीकृत करने से छात्रों को तनाव से निपटने, उनकी भलाई में सुधार करने और उनके शैक्षणिक प्रदर्शन को बढ़ाने के लिए मूल्यवान उपकरण प्रदान किए जा सकते हैं। मूल्य व्यक्तियों और समाज को आकार देने में महत्वपूर्ण भूमिका निभाते हैं। गीता अनुशासन, दृढ़ता, निस्वार्थता और अपने कर्तव्य के प्रति समर्पण जैसे मूल्यों पर जोर देती है। गीता से प्राप्त मूल्य-आधारित शिक्षा को बढ़ावा देकर, भारतीय शिक्षा प्रणाली छात्रों में इन गुणों को विकसित करने में मदद कर सकती है, जिससे जिम्मेदार नागरिक तैयार हो सकते हैं जो समाज में सकारात्मक योगदान देते हैं। भगवद गीता निर्णय लेने और समस्या-समाधान के लिए व्यावहारिक ज्ञान प्रदान करती है। यह आलोचनात्मक सोच, विवेक और सही विकल्प चुनने की क्षमता के महत्व पर जोर देता है। गीता की शिक्षाओं को एकीकृत करके, शिक्षा प्रणाली छात्रों को आवश्यक जीवन कौशल से लैस कर सकती है, उन्हें सचित निर्णय लेने और जीवन की जटिलताओं को प्रभावी ढंग से नेविगेट करने के लिए सशक्त बना सकती है।

भारतीय शिक्षा प्रणाली में भगवद् गीता की शिक्षाओं को शामिल करने से गहरा लाभ हो सकता है। नैतिक नींव डालकर, समग्र विकास को बढ़ावा देकर, तनाव प्रबंधन तकनीक प्रदान करके, मूल्यों का पोषण करके और निर्णय लेने के कौशल को बढ़ाकर, शिक्षा प्रणाली ऐसे सर्वांगीण व्यक्तियों को बढ़ावा दे सकती है जो न केवल शैक्षणिक रूप से सक्षम हैं बल्कि नैतिक रूप से ईमानदार और आध्यात्मिक रूप से जागरूक भी हैं। गीता का कालातीत ज्ञान छात्रों को आत्म-खोज के मार्ग पर मार्गदर्शन कर सकता है, जिससे एक अधिक प्रबुद्ध और सामंजस्यपूर्ण समाज बन सकता है।

VICE CHAIRMAN SIR

Dear Readers,

It has been rightly said, “Students who are best prepared for the future are change agents.” They are the ones who can have a positive impact on their surroundings, influence the future, and anticipate the short and long-term consequences of what they do. To grow and blossom as a competent being one does not require mere acquisition of knowledge and skills, it

actually involves the mobilisation of knowledge and skills, attitudes and values to meet complex demands. Future-ready students will need both broad and specialised knowledge. Formal education of varied disciplines will no doubt continue to be important as the raw material from which new knowledge is developed, but students of tomorrow will need to develop their capacity to think across the boundaries of disciplines and “connect the dots”. Students will need to apply their knowledge in unknown and evolving circumstances. For this, they will need a broad range of skills, including cognitive and meta-cognitive skills incorporating critical thinking, creative thinking, learning to learn and self-regulation; social and emotional skills of empathy, self-efficacy and collaboration and practical and physical skills using new information and communication technology devices. It has been rightly said, “Education does not mean getting a certificate. It means enhancing yourself.” Education thus should be about enhancing your horizons, about having a larger vision of life.

BRAHM DUTT BLUE BELLS PUBLIC SCHOOL

The focus of education should not be on suppressive information but on kindling the thirst for knowledge. As the Leader of an educational institution, I strongly feel that human life is enriched by the diversity of values and attitudes arising from different cultural perspectives and personality traits but there are some human values like respect for life and human dignity, and respect for the environment that cannot be compromised. The students of tomorrow will need to engage with the natural world, to appreciate its fragility, complexity and value. It is in sync with this perspective that NEP is stressing on mapping the curriculum with the SDG goals so that new wave pedagogies are introduced. Taking responsibility for creating new values and new sources of growth are urgently needed to achieve stronger, more inclusive and more sustainable development. To prepare our students for 2030, it is imperatively desired that they are able to think creatively, develop new products and services, new jobs, new processes and methods, new ways of thinking and living, new enterprises, new sectors, new business and social models. To be prepared for the future, individuals have to learn to think and act in a more integrated way, be active; take on responsibility and work for the things they believe in. This suggests a sense of responsibility, moral and intellectual maturity, and the sensitivity to evaluate one's actions in the light of his or her experiences.

To conclude in the words of Dr. APJ Abdul Kalam:

“Never stop fighting until you arrive at your destined place-that is, the unique you. Have an aim in life, continuously acquire knowledge, work hard, and have perseverance to realise the great life.”

Ashish Gulati
Vice-Chairman
Blue Bells Group of Schools

FROM THE DIRECTOR'S DESK

Dear Readers

At the very onset I would like to quote the words of Robin Sharma who beautifully puts across the thought, “Each one of us is born into genius. Sadly, most of us die amid mediocrity.”

As the children of God, we are indeed blessed because He sends us on this earth with the inherent potential to pursue the purpose, He has designed for each one of us to accomplish during our physical journey. But unfortunately, most of us keep grappling with our daily chores and running after materialistic needs to add to our physical comfort and in pursuance of the same we fail to realize the real purpose of our life. We then spend our entire life in mediocrity and envying the achievements of others with the perpetual complaint that God bestowed on him or her His choicest blessings and made him/her the gifted one depriving me of those special capabilities. The most common way people give up their power is by thinking they don't have any. The need is to understand and realize your inherent potential and add value to whatever you are doing in life. In the words of Dr. Martin Luther King Jr. here, “If a man is called to be a street sweeper, he should sweep streets as Michelangelo painted or Beethoven composed music, or Shakespeare poetry. He should sweep streets so well that all the hosts of heaven and earth will pause to say, “Here lived a great sweeper who did his job well.” You don't always have to be a Leader with A Title, if you are doing your best in your own simple way, you are a leader in your own capacity.

Ralph Charell has rightly put across, “Nobody succeeds beyond his or her wildest expectations unless he or she begins with some wild expectations,” so never underestimate your thoughts and dreams and drive them away as wild dreams. All dreams are achievable in life if one musters the courage and the passion to pursue them. Only with the courage of conviction, a deep sense of self-realization and a strong value system can one achieve the unachievable and transform every challenge into an opportunity. The sense of accomplishment and achievement is the most gratifying feeling in life and the greatest gift one can offer to others is the sight of an achievement in one’s life. Never be afraid of thinking big yet start small; take those tiny little steps each day and eventually you will get to success. Avoid running after rewards because success will automatically come by performing those little advancements with consistency. Always remember, ‘small daily improvements-over time-lead to stunning results’.

God bless you all with success and achievement in life.

DR. ALKA SAXENA

Dear students,
“Wherever you go, no matter what the weather, always bring your own sunshine.”

- Anthony J. Dangelo

Most of us have come across people who are usually grumpy and rude. How do we feel around them? Then again, there are that other kind of people, who are charming and pleasant. How do we feel around them?

Around a grumpy and rude person, we are generally uncomfortable and stressed, and the environment is tense. In contrast, we feel relaxed and happy around a charming and pleasant person, and the environment is calm and peaceful. In a way, the behavior and disposition of an individual affects the energy levels of their surroundings. A cheerful nature helps us attract positive energy and optimism. It also aids in developing healthy relationships and strengthening our bonds with our near and dear ones. We can undoubtedly contribute to creating more dynamic and energetic ecosystems by being mindful of the little things in our everyday lives. Good manners and politeness are winners in every social milieu. Being kind and courteous to people around us makes them appreciate us. It also evokes feelings of respect in others and fosters a friendly environment. Thanking people and expressing gratitude are some ways in which this can be incorporated into our daily lives. Sincere and genuine concern for others is another essential trait for building connection and a warm ambience.

To bring positive energy to spaces, it is also important to maintain a healthy relationship with oneself. Established self-care routines, hobbies, and strong bonds with family, friends, and mentors help us achieve that. Our own attitude gets reflected to us in a myriad of ways, whether it be through small gestures like compliments or affirmations, or in the form of social support in times of need. Having an optimistic attitude also helps inspire people to look at the brighter side of things. It cultivates hope and warmth for the future. Optimism is like a rising tide; it lifts all boats and carries them to the shore. An individual is at the core of any community. We have the resources and responsibility to contribute to creating nurturing and safe spaces in society. A little goes a long way. Being mindful of our own words and attitude helps other people feel comfortable, creating a ripple effect that carries on to many others. Let us all strive to bring positive energies to every place we go.

Best wishes,

SOUMYA MA'AM

Dear readers

“My grandmother lived to be 104 years old, and part of her success was she woke up every morning to a brand-new day. She said every morning is a new gift. Her favourite hobby was collecting birthdays.” When I read this

quote, I realized I was instantly smiling. Was it funny or was it overwhelming or did I understand the life and journey of the grandmother. To be able to reach another birthday, she had to be optimistic, in good health and spirits and have the fortune blessing her. Likewise, when we think of a hobby and explore its nuances there are milestones of time and time management, practice, goal targeting and achieving, confidence and self-exploration with heightened self-esteem. The path of hobbies is paved by the tenacity of practice. Musicians like Allah Rakha, Zakir Hussain, Anushka Sharma; sports persons like Sunil Gavaskar, Sachin Tendulkar Viswanathan Anand, Anand Amritraj, Neeraj Chopra, MS Dhoni..... phew the list is countless, endless. And why shouldn't it be. The world is full of people who set targets only to achieve them with determination and perseverance. Unfortunately, the need for instant gratification has increased in the world of today. Working towards a skill or a goal very often gets defeated to impatience. Patience, the priceless virtue needs to be cultivated and what better way to do than adopt and adapt to a hobby. Real life is not like a three-hour movie where success is easily attainable, we live in a world where we press one button and get the desired results, but life has so many surprises and we need to slowly etch our way towards perfection of skills by acquiring a hobby. It can be in any field, art, performing art, sports, business, reading, talking etc.

The best way to cultivate a new hobby is to try something new. The world is full of wonderful, exciting activities that we can explore and adopt as our own. Of course, all of us are unique and, therefore, our interests and hobbies vary. But once we find a hobby that we truly enjoy and are passionate about, we become hooked. It becomes part of our lives and captivates us in a very personal way. Scrolling reels for hours together or practicing to be a social media manager, listening to songs or taking up sound mixing/ editing. The final decision is yours. I feel by the end of this message my dear readers would have identified their calling and will think of pursuing at least one hobby.

Warm regards

*“The successful warrior is the average man with laser-like focus”
- Bruce Lee*

As students we often hear the words ‘Focus’ and ‘Concentration’ and their importance in achieving success. We are advised to stay focused on our goals and to improve our concentration. Whether it is focus on our life goals or our daily tasks, this

factor definitely determines the efficiency and outcome of our efforts. However, today we live in a noisy world with constant distractions, where it can get difficult to master these. I firmly believe that our success depends on where we keep our attention. The famous Draupadi Swayamvar episode from the Mahabharata is a great teaching of this. When all others failed to separate their goal from their distractions, Arjun was the only one who could see his goal and nothing besides that. Similarly we too have so many distractions around us, which we must push aside and stay on track. In this digital era, focus is definitely the key that will differentiate the achievers from the rest.

My Best Wishes to the entire Blue Bells family for the year ahead!

FROM THE PRINCIPAL'S DESK

Dear Staff, Students & Parents
Greetings from BDBBPS !

We all live in an era of technology which is ever changeable. What we learn today might become obsolete in some years as that technology may not exist in the working world. We need to adapt ourselves to this

changing phenomena in technology to be in sync with the world. On the other hand, human brain is quite adaptable to all changes and can adjust itself to any learning environment available to it. Under such conditions, we must learn to use technology to the best of our ability. In the present scenario, Artificial Intelligence has captured the world by storm. Every work becomes easy with the use of AI tools. Students use it for various purposes to improve and uplift the quality of their presentations. But as is said, anything over the limit has its own consequences and so it is with AI too. Sometimes, we forget the limitations that any technology has. Too much dependence on AI may make HI(human intelligence) redundant in the long run. Moreover AI lacks the human touch needed in some work. We must understand that AI has been created by HI so it cannot surpass it in any way. We can use AI for tasks that require speed, accuracy, and handling vast amounts of data while using HI for tasks requiring emotional intelligence, critical thinking, and moral considerations.

BRAHM DUTT BLUE BELLS PUBLIC SCHOOL

By maintaining this balance, AI and HI can work together to create more innovative, efficient, and humane outcomes. I am highly elated to inform that Brahm Dutt Blue Bells Public School has been *Ranked #1 School pan India in the Education World Ranking in the Best Technology Integration Category where we are Ranked Top School in India, Top School in Haryana and Top School in Gurugram.* This all is possible with the collaboration of our staff, students and parents which makes the Holy Trinity at BDBBPS. This milestone is a reflection of our commitment for creating an environment where each child can thrive in a tech-driven world. At Brahm Dutt Blue Bells Public School, we believe in nurturing every student's curiosity, creativity, and confidence, allowing them to explore and develop their individual potential in a supportive and innovative setting.

On the threshold of session 2023-24, I stand and look back to pat the team Blue Bells on successful completion of the session. We learnt, we aimed, we achieved, we made everlasting memories. We set a benchmark for ourselves, so that we chase our goals yet again. In our efforts we see the Blue Bellians making a mark all over the world by their active participation in In-house activities, outreach programs, online platforms, national and international programs.

My earnest request to each Blue Bellian is to always look towards the sunshine and shadows will follow you. Collaborate, communicate, enquire and be an enthusiast forever. Whenever, students you fall short of motivation, just hum along

SUNTA KAUL MA'AM

“Education is the most powerful weapon which you can use to change the world.”

-Nelson Mandela

This year marks the brave embarking of the school into another year where incredible milestones will be accomplished by dedicated faculty, and a

motivated parent community under the leadership of the highly committed Management of the school. First and foremost, we face the challenges of preparing our young people to live and work in the information age. Our younger generation needs to be prepared with the abilities to think critically, to create genuinely, and to communicate and cooperate effectively with people of different backgrounds and cultures.

A student should be continuously exposed to new knowledge and gain insight into the future, the trends, the opportunities, and new thinking which are possible with the help of specialists. Thus, education has a higher goal of nurturing character. The world today is progressing at a tremendous pace and the scientific, technological, economic, and social frame in which man needs to function in the future will be very different from what it is today. Here, at Brahm Dutt Blue Bells, we aim to instill virtues and cultivate beautiful flowers and not just repress the faults and suppress the weeds of human character.

BRAHM DUTT BLUE BELLS PUBLIC SCHOOL

We are taking the vision of NEP 2020 forward and have upgraded our curriculum where the emphasis is laid on enhancing the learning skills, creative, critical thinking, problem-solving, analytical, and socio-emotional skills for the desired learning outcomes.

We rededicate and commit ourselves to curating a 360-degree holistic module of learning where we help our scholars to move from the subject to the object and then to the abstract. Innovation and creativity will be the benchmark for the stupendous milestones which we have achieved and would be achieved with our resolute focus and steadfast approach.

In the words of Mahatma Gandhi, “True education is that which draws out and stimulates the spiritual, intellectual & physical faculties of the children”. I believe that all of us are throbbing volcanoes of limitless potential. I dream that every Blue Bellian along with honing their skill sets should also practice the core beliefs of love, kindness, and compassion that they have learned at school and enrich the outer world in their own unique ways by implementing these values.

My dear future leaders and patrons, let us move forward with renewed vigour and scale greater heights. I seek blessings from the Almighty to give us strength to march ahead with courage and conviction.

The Power of Perseverance: Key to Success

Dear Students

As I walk through the school corridors and visit your classrooms, I am continually inspired by the potential I see in each of you. You are a generation of bright, talented and self-driven individuals, capable of achieving great things. But the path to success is rarely straightforward, and one of the most important qualities that will help you navigate this journey is Perseverance. Challenges are an inevitable part of life, no matter your age or experience. Whether you're tackling a difficult subject, managing the balance between academics and

extracurriculars, or facing personal setbacks, obstacles will arise. But it is not the obstacles that define you—it's how you respond to them that shapes your growth and future success.

Perseverance is the ability to keep moving forward, even when the road becomes difficult. It's about viewing failure not as the end, but as a stepping stone in the learning process. Some of the world's greatest leaders and innovators faced tremendous adversity, yet they triumphed because they refused to give up.

This mindset is the belief that abilities and intelligence can be developed through dedication and effort. When faced with difficulties, rather than thinking, "I can't do this," shift your perspective to, "Why couldn't I do this yet?" Every challenge encountered is an opportunity to learn and grow. With each effort, keep on expanding your knowledge, refining your skills and moving one step closer to your goal.

Approaching challenges with a willingness to learn makes perseverance one of the most important qualities for achieving success. Here are some ways to develop and nurture this invaluable trait :

Practical Strategies for Building Perseverance

- **Set Small, Achievable Goals:** Break larger tasks into smaller, more manageable steps. This makes progress feel more attainable and less overwhelming.
- **Maintain a Positive Attitude:** A positive mindset keeps you motivated, even when things are tough. Focus on what you've learned and how far you've come.
- **Don't Hesitate to Ask for Help:** Perseverance doesn't mean going alone. Reach out to your teachers, friends, or family when you need support. Asking for help is a sign of strength, not weakness.
- **Celebrate Your Progress:** Recognize and celebrate your achievements, no matter how small. Each victory is fuel for your continued efforts.

The Rewards of Perseverance

Throughout your academic journey, you may encounter moments when things don't go as planned—a test score may fall short of your expectations, or a project might not turn out the way you envisioned. In those moments, it's easy to feel disheartened. The true reward of perseverance is not only the achievement of your goals but also the satisfaction of knowing you gave your best effort.

Perseverance is about more than reaching a specific outcome—it's about building resilience, determination, and the inner strength that will carry you through life's many challenges. As Winston Churchill wisely said, "Success is not final, failure is not fatal: It is the courage to continue that counts."

As we move through this school year, I remind each one of you about the immense potential you have. With perseverance, a growth mindset, and the support of your teachers and peers, there is no limit to what you can achieve.

BRAHM DUTT BLUE BELLS PUBLIC SCHOOL

I eagerly look forward to witnessing the remarkable progress you will achieve and the new heights you will undoubtedly reach. Let us continue to strive, learn, and grow together.

Keep pushing forward, stay curious and never lose sight of the greatness within you.

Blessings and Best Wishes

EDITORIAL

Dear Readers,

Life is not a bed of roses. It is full of challenges and school is that arcadia providing you the scope to explore yourself and develop the forte to face the outside world.

Blue Bells ,as we all know ,has a bevy of activities catering to every category of students whether sports, visual art ,

literary or performing art. The year 2023-24 saw our school hosting BDBBPS MUN for the first time which added a feather to our cap filled with Inter and Intra school activities. Theatrics, Genesis, Cybertronics, Sports Day to name a few other than the regular school activities that have helped students to showcase their talents.

We, in Creatica believe in Edward de Bono's words, "Creativity involves breaking out of established patterns in order to look at things in a different way". So children, if you want to stand out in a crowd, do things creatively and with panache. The world is waiting to welcome those who dare to take up the challenges and face it creatively. Give flight to your wings of imagination and see it reach its destination.

Along with the regular features, we have tried to cover all events and achievements as well as your writeups.

In the end, Team Creatica wishes to express its indebtedness and sincerest thanks to the Management, Principal, staff members and the students, without whose unstinted support, this venture would never have been successful.

Hope you would enjoy this edition of our Creatica.

With lots of love

HEAD GIRL

The sun himself is weak when he first rises , and gathers strength and courage as the day gets on . - Charles Dickens

I have spent 15 years of my life learning and living here at Brahm Dutt Blue Bells Public School , and I still can't wrap my head around how fast these 15 years went by. It feels like just yesterday we stepped through the doors as wide-eyed children , and now , we are on the brink of a new chapter , the memories that flood my heart with nostalgia and gratitude. Our school isn't just a building where we come to learn; it's a home away from home , a place where friendships are forged , and dreams take flight . Each one of us contributes to the vibrant tapestry of experiences that make our school unique , and together , we create memories that will last a lifetime .Personally , I am beyond honoured to have been a part of Blue bells because this is the place that not only gave me wings but also helped me learn how to fly .

In times of triumph and moments of challenge , it's the unwavering support and camaraderie within these walls that remind us we're never alone .

Whether it's cheering each other on during sports events , comforting a friend in need , or rallying together to overcome obstacles , our unity is our greatest strength .

As we navigate through the currents of change and uncertainty , let us hold fast to the values that define us and our school : integrity , kindness and commitment to excellence in all that we do . Let us continue to foster a culture of inclusivity and acceptance , where every voice is heard and every individual is valued .

BRAHM DUTT BLUE BELLS PUBLIC SCHOOL

In the mosaic of life , school is the warmth hearth where we gather to share our stories , dreams and aspirations . We bluebellians are the very spirit of our school , and I wish each and every student all the very best . And I hope that you will carry on the long lasting legacy of blue bells and take it on to the greater heights .

HEALTH AND WELLNESS AMBASSADOR

As the Health and Wellness Ambassador, I am privileged to share with you the essence of my journey, one defined by resilience and a passion for holistic well-being. In the pursuit of this esteemed role, I've come to realize that true empowerment begins with nurturing both the body and the mind.

My journey into wellness advocacy commenced with a profound realization: the importance of prioritizing self-care amidst life's myriad demands. I discovered that small, consistent lifestyle choices can yield transformative results. Whether it's embracing nutritious eating habits, engaging in regular physical activity, or prioritizing mental health practices,

each step taken towards wellness serves as a testament to our inner strength and vitality.

Yet, beyond personal enrichment, my role as Health and Wellness Ambassador transcends individual pursuits; it embodies a commitment to fostering a culture of well-being within our school community. By offering guidance and amplifying the voices of those dedicated to holistic health, we sow the seeds of empowerment for generations to come.

To my fellow juniors, I extend an invitation: embrace the journey towards wellness with an open heart and a steadfast resolve. In doing so, you not only enrich your own lives but also inspire others to embark on their own paths towards fulfillment and vitality.

As you navigate the halls of our esteemed institution, remember that the power to cultivate wellness lies within each and every one of you. As the future position holder, embrace this opportunity to lead, to inspire, and to empower, for in doing so, you contribute to a legacy of resilience, compassion, and well-being.

Let us, The Blue Bellians, embark on this journey towards empowerment and carry forward the vision and heart of the Health & Wellness Programme together. The future awaits, and with it, endless possibilities for growth, transformation, and the realization of our fullest potential.

INCREDIBLE MILESTONES : BDBBPS GLEAMS AT INDIAN CANCER SOCIETY, DELHI

When you are inspired by a purpose, your knowledge expands and you chart your unique success saga. This verbatim was personified by **Mansi Chauhan** of **Class VIII-D** when she clinched the **Third Position and a Cash Prize** in the **Junior Wing (Classes VI-VIII) in Placard Making Competition** organized by the **Indian Cancer Society** at Shiv Nadar School, DLF, Phase -I, Gurugram to mark the **World No Tobacco Day on May 02, 2023**.

In a tough competition with the top fifteen Delhi & NCR schools, Mansi curated a thought-provoking Placard on the theme of WNTD Campaign 2023. **'We need food, not tobacco.'** Her pristine presentation and display showcased her deep understanding of the concept and expose the tobacco industry's efforts to interfere with attempts to substitute tobacco growing with sustainable crops, thereby contributing to the global food crisis. She was heartily appreciated by the judges and fellow contestants

ANONओत्सव- ANON GLOBAL FOUNDATION DAY

“Your talent is God’s gift to you. What you do with it is your gift back to God.”

We, at Blue Bells, believe that a child is a bundle of talent and unimaginable energy which needs to be channelized for optimum accomplishments. Thus, the scholars are provided with ample opportunities and platforms to express themselves explicitly and in the process, they enhance their Life Skills. In sync with the same vision, 11 students from Classes VI-IX were invited to participate in “ANONओत्सव”, the third Foundation Day of ANON Global Foundation on July 29, 2022. The students’ Group Song was an integral part of the Cultural Program on the theme “Life Skills and Mental Health” and their performance by lauded by all. The school team of students and teachers was felicitated with certificates and a trophy.

Our students have been regularly participating in the Internship Programmes by ANON. It was a proud moment when **Japsimran Kaur, a student of Class XI was awarded the Internship Completion Certificate.** She completed her six months Internship Programme with ANON and was awarded a trophy and a certificate.

EVENTS ORGANIZED UNDER THE HEALTH & WELLNESS PROGRAMME

All the activities, sessions and workshops were indigenous initiative under the inspirational mentorship of Dr. Alka Saxena, Deputy Director (Health & Wellness), Blue Bells Group of Schools.

INVESTITURE CEREMONY

"A leader is the one who knows the way, goes the way and shows the way." - John C. Maxwell

Health and Wellness Programme believes that a true leader has the confidence and courage to make tough decisions and the compassion to listen to the necessities of others. Nurturing students to be future leaders, Blue Bells Model School held the **Investiture Ceremony** for the academic session 2022-23 by conducting special assemblies on January 13 and May 9 2023 for Senior Wing and Primary Wing respectively. The motive was to bestow the deserving students with duties and responsibilities in order to involve them in effective functioning of the school system. The elected appointees were invested with their respective designations. For the Session 2023- 2024, Priyanshi Yadav of class XII was appointed as the Health & Wellness Ambassador, (Senior Wing), and Chahak Makkar of class V was appointed as the Junior Health & Wellness Ambassador, (Primary Wing). The newly elected appointees expressed their willingness to shoulder their duties with earnestness and diligence. These students had undergone a vigorous selection procedure wherein all the nominated students appeared in the *Written Round, JAM Session and Team building rounds, while the shortlisted candidates* underwent an interactive session with our team leader Dr. Alka Saxena, Deputy Director, Health and Wellness, Blue Bells Group of Schools. The entire process offered a new learning experience to all the participants.

GOAL SETTING

Setting goals leads to long term vision and motivation.

Health & Wellness team has always believed in guiding students to stride ahead, create new opportunities and set realistic goals to help students develop a compelling future in a confident and realistic way. Every year the Health & Wellness Programme organises in-house sessions with students with the aim of nurturing in them different skills for self empowerment and self enhancement.

Goal Setting Session was taken for the students of class X and XII in the school in May 2023. The session gave students an insight on how one can set goals in a systematic manner and keep themselves motivated. Students also understood the importance of prioritizing their task and could identify certain time wasters which act as barriers and look for solutions to them.

The session was very motivating and effective for increasing student productivity. They learnt that goal has to be realistic with a stretch, requiring effort and focus to achieve it.

THE LEARNING SPACE

Education serves as a gateway

To the pathway of achievement.

It's a journey of acquiring knowledge, growth, and empowerment,

Setting the foundation for future prosperity.

Education molds our genuine essence,

Paving the way for a triumphant life...

THE LEARNING SPACE- LEARNING AND DEVELOPMENT CENTRE

At Blue Bells Group of Schools, the Learning Space, headed by Madam Soumya Gulati, is an in-house curriculum centre. Its core focus lies in fostering continuous learning and development, offering diverse avenues for real learning through various mediums. It provides a wide range of opportunities for authentic learning through various channels, ensuring that it keeps up with global changes. The team engages in thorough research, designs a curriculum that aligns with the new education policy, reflecting global trends and international educational standards, while also considering the age appropriateness and readiness of its students. The centre is committed to molding students into compassionate, future-ready leaders and contributors on a global stage. At BBMS, we firmly embrace the notion that *'teaching is the delicate act of igniting the innate curiosity within the young learners.'* We hold the belief that a school evolves into a learning organization when both faculty and students are continuously engaged in learning and personal growth. Our dedication to the professional development of our staff is paramount. Interactive workshops for all teachers are organized on a regular basis.

TEACHERS' EMPOWERMENT
SESSIONS AND WORKSHOPS CONDUCTED BY THE
LEARNING SPACE

“A good teacher is like the rising sun that comes to fill the empty and dark minds with the light of the education” — Anamika Mishra

Going into the depth of formulating strategies, the team tirelessly endeavours to integrate insights from practical teaching and the expertise of content developers and resource persons. This is facilitated through various sessions such as microteaching, lesson planning, and activity-based learning, which have been expanded to encompass all grades. The aim is to upskill educators and bolster their essential competencies, enabling them to effectively meet the constantly evolving needs of students.

INTRODUCTION TO LESSON PLAN TEMPLATE & FOLLOW-UP SESSIONS

The Learning & Development Centre, guided by Ms. Soumya Gulati, Deputy Director of Academic Development and Innovation at Blue Bells Group of Schools, organized a two-day session on Lesson Planning. The sessions were conducted on May 24th and May 26th, 2023, catering to teachers of Grades III-V, followed by sessions for teachers of Grades VI-VIII on May 25th and May 27th, 2024.

During the sessions, detailed discussions were held on the lesson plan template and the levels of Bloom's Taxonomy. Teachers were briefed on Constructivism in Learning, emphasizing Inquiry, Exploration, Questioning, Debate, Application, and Reflection, fostering meaningful understanding, concept attainment, and the generation of new ideas. Through various interactive activities, teachers effectively demonstrated their comprehension of the different levels of Bloom's Taxonomy.

For the subsequent session, teachers were tasked with preparing a Lesson Plan on a topic of their choice. In the following session, held the next day, teachers reviewed the previously prepared lesson plans in accordance with Bloom's Taxonomy. Discussions encompassed subject-specific skills, methodology, Bloom's levels in planned activities, a transdisciplinary approach, assessment of understanding, and closure activities, all tailored to the respective grade levels.

LEARNING EXPERIENCES

Over the past two decades, significant transformations have occurred in the perception and execution of teaching and learning methodologies within the education sector. To delve into these evolving paradigms and discuss the corresponding recommendations of the New Education Policy (NEP), The Learning Space organised sessions led by Ms. Kalpana Kapoor, on 29 May 2023 and 1 June 20223 for the Primary Wing and Middle Wing teachers respectively. Ms Kapoor, is the Former Principal, Delhi Public School Ghaziabad and a National Resource Person.

The objective of these sessions was to gain insights into the learning patterns of 21st-century students and equip educators with innovative strategies and methodologies for the teaching-learning process. Emphasis was placed on fostering joyful learning experiences for students, nurturing positive attitudes through non-competitive games, and fostering the development of knowledge, skills, and attitudes.

Teachers were introduced to student-centric transactional approaches aimed at the holistic development of 21st-century learners, navigating the VUCA (Volatility, Uncertainty, Complexity, Ambiguity) world, and frameworks such as Bloom's Taxonomy, Webb's Depth of Knowledge, The Maastricht 7-Jump Process, Kolb's Experiential Learning Model, Introductory activities for classes, De Bono's Six Thinking Hats, the Frayer Model, and effective questioning techniques. Throughout the session, teachers actively engaged in innovative and productive tasks and were encouraged to share their presentations as well.

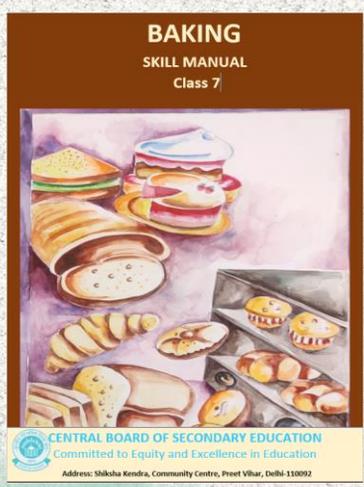

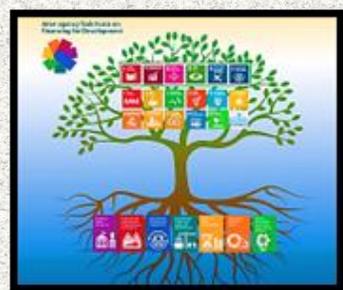

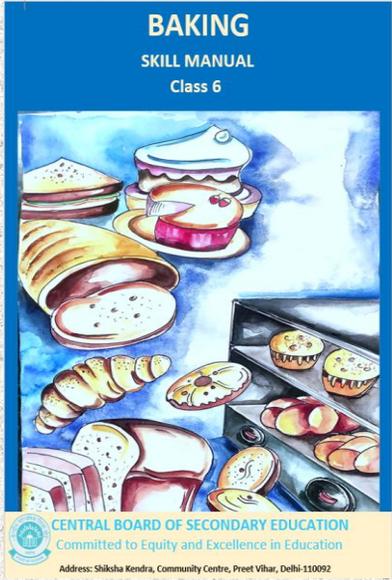

MICRO TEACHING & OTHER TRAINING SESSIONS

Led by the inspiring guidance of Ms. Soumya Gulati, the In-house Learning Space Team organizes microteaching sessions and other training workshops aimed at annual subject planning. These sessions also facilitate discussions on classroom teaching strategies designed to transform learning into an enjoyable and engaging process.

TRANSFORMING LEARNING LANDSCAPES NATIONWIDE

The centre is actively involved in ongoing research and integrates the latest technologies into its practices. It adheres to the principles outlined in the **National Curriculum Framework (NCF) 2005** and follows the guidelines provided by **CBSE** and **NCERT**. Our school has played an active role in conceptualizing, curating, and introducing academic resources that have garnered significant recognition from CBSE. At a **pan India level**, CBSE has launched our skill manual on **Baking**, highlighting our dedication to skill development initiatives. In our pursuit of providing holistic learning to students and aligning with the objectives set forth in the New Education Policy 2020, we have meticulously curated graphic novels to complement the content of NCERT textbooks spanning grades 6 to 10. We are pleased to announce that all our manuals have received approval and are now accessible on the DIKSHA web portal

GALLERY WALK -CLASSES I & II

‘Own your learning journey, unlock endless growth, and walk the path to success!’

We, at Blue Bells, are committed to nurturing a learning environment where students are empowered to explore, question, and engage actively in their pursuit of knowledge. In sync with the same, ‘Gallery Walk’– an academic extravaganza was organised in the premises of Brahm Dutt Blue Bells Public School on September 23, 2023 under the inspirational leadership and guidance of Madam Soumya Gulati, Deputy Director (Academic Development & Innovation), Blue Bells Group of Schools with an aim to showcase the innovative journey of learning and progression to the parents of Grades I and II.

It was a sight to behold seeing the little ones taking the lead in organizing an array of activities including music, dance and skit presentations, all centered around various subject skills on the theme 'Animal Kingdom'. The parents appreciated the showcasing of integrated transdisciplinary approach and the progression as it ensured effective learning at all levels.

The Health & Wellness Programme of the school spearheaded by Dr. Alka Saxena, Deputy Director (Health & Wellness), BBGS, presented an overview of the Health & Wellness Programme for the Pre-primary Wing summarized on the Display Boards.

Adding to the delight of the event, the students set up a stall for parents, showcasing their culinary skills and offering a variety of delicious items. The collection will be handed over to less privileged ones as a part of Community Outreach Initiative of the school.

Parents were pleased with the evident progression in their children's learning journey.

BACK TO SCHOOL SERIES

"The journey of learning becomes meaningful when we make it visible to ourselves and others." - Ron Ritchhart

At Blue Bells, we firmly believe in the transformative power of a well-planned curriculum to shape students' learning experiences. We understand that nothing brings greater satisfaction to parents than witnessing the tangible outcomes of their child's education. In sync with this thought, 'Back to School Series' was organised to make the parents experience the joy of classroom learning which their wards enjoy every day. The event was planned under the inspirational leadership and guidance of Madam Soumya Gulati, Deputy Director (Academic Development & Innovation), Blue Bells Group of Schools for the parents of Classes Pre-Nursery and Nursery on September 22, 2023, and for Class KG on September 23, 2023. This event gave an opportunity for the parents to get an insight into the unique pedagogical practices and teaching methodologies that are well-planned by the L & D Team.

The parents were apprised of multitudes of activities conducted in the class which help the learners develop and hone LSRW (Listening, Speaking, Reading, and Writing), and Numeracy Skills. A session on 'READ-O-PHONICS' was organised to acquaint the parents of Class KG with the latest teaching-learning techniques and strategies adopted by the school to hone the language skills of the learners.

Parents were engaged in several interactive and fun-filled activities and games and were pleasantly surprised to see the meticulous planning behind each activity. They thoroughly enjoyed playing well-thought-out games organised by Sports Team showcasing a transdisciplinary approach of blending sports activities with real-life learning & subjects.

The parents were deeply impressed by the elaborate efforts and were full of admiration for the school.

Learning Unbound Chapter 2023-24

‘Education is like turning mirrors into windows as it opens the whole wide world for you to explore and understand.’

Brahm Dutt Blue Bells Public School organized an Academic Fest ‘Learning Unbound Chapter 2023-24’ for the students of the Primary Wing on February 24, 2024 with the theme ‘Shree Anna-The Mighty Millets’.

The event was spearheaded and conceptualised by the In-house Learning and Development Centre ‘The Learning Space’ under the motivational leadership of Madam Soumya Gulati, Deputy Director (Academic Development and Innovation), Blue Bells Group of Schools, ensuring that the theme resonated through every facet of the curriculum. Through innovative approaches, the theme ‘Shree Anna - The Mighty Millets’ was intricately and seamlessly woven into various subjects including Visual Arts, Performing Arts, Physical Education and IT, fostering a holistic understanding of millets’ multifaceted importance. From designing interactive exhibits to organizing hands-on activities, every aspect of the event was carefully crafted to engage students and deepen their understanding of millets’ significance.

Furthermore, ‘The Learning Space’ meticulously aligned the event's activities with the curriculum goals outlined in the National Curriculum Framework (NCF) 2023, thereby enriching students’ educational experiences with relevance and depth. This strategic alignment ensures that students not only engage with the theme but also meet the learning objectives outlined by educational standards. By integrating technology-enhanced learning tools and resources, a contemporary dimension was added to the event, catering to the evolving needs of 21st-century learners.

The students not only gained a deeper understanding of the theme but also developed critical thinking skills, problem-solving abilities, and creativity. The hands-on activities and interactive exhibits sparked curiosity and encouraged active participation among students, fostering a love for learning.

The Transdisciplinary approach, showcasing the learning progression of students, came to life through an array of models, projects, and activities. The dynamic showcase provided a tangible representation of the diverse skills and knowledge of the students.

An innovative Millet Tableau drew everyone's attention as it showcased the fascinating journey of millets, from the initial stages of sowing to the final harvesting. It also showcased diverse dishes made with millets. The final compartment depicted Chandrayan, symbolizing the hope that one day, millets would find their way to the moon.

Parents were in awe of the concept of the event and the entire display. Hands-on experiments, art and craft, live sculpture counter, integrated fun sports activities, Yoga Display and the theme based cultural events comprising of a Street Play, Live Singing by the choir, Puppet Show and thematic dances were well connected to the theme 'Shree Anna-The Mighty Millet.'

The event was a resounding success, marking a successful chapter in the academic journey of the students.

We continuously strive to evolve our curriculum with the changing paradigms and be consistent in offering hues of learning experiences to our learners by organising regular micro-teaching sessions for the capacity building of educators.

BDBBPS WELCOMES THE STUDENTS TO SESSION 2023-24

To extend a formal welcome to our Blue Bellians, the students of Class XII conducted a Special Assembly on Monday, April 03, 2023 in the Seminar Hall in two separate slots.

The highlight of the Assembly was the movie Restart, conceptualised and directed by the students of Class XII under the guidance of the Head Boy, Mudit Ahlawat. The movie aimed at understanding the importance of following our dreams and selecting the streams in Class XI according to our capabilities and interests. The joy was evident on the faces of the children as they got back into the school activities and routine for the session.

Senior Wing Leader, Ms. Preeti Phutela apprised them about the G20 Summit Activities, wherein 43 Heads of Delegations- the largest ever in the G20—will participate in the New Delhi Summit in September. Respected Principal, Mr. Trilok Singh Bist shared the mantra of being a perfect student with everyone present. It was an entertaining and lively assembly that set the tone for the upcoming session.

WORLD HEALTH DAY

World Health Day was celebrated on April 7, 2023 in Classes Pre-Nursery to V with great gusto. Well-planned sessions on Yoga and Aerobics helped the tiny tots improve their flexibility and strength.

The students also brought healthy and nutritious food which was a testament to the efforts of the school to sensitize students about the significance of a balanced diet and the essential nutrients required for growth and development.

A Special Assembly was organised by the students of Kalpana Chawla House of the Primary Wing on the theme 'Health for All'. The highlight of the assembly was a very thought-provoking Talk Show in which students talked about various health issues being faced by people, reasons behind various diseases and the effective ways to maintain good health in the long term.

FOUNDER'S DAY : CELEBRATING 20 YEARS OF EXCELLENCE

Brahm Dutt Blue Bells Public School celebrated its 21st Founder's Day to commemorate the beginning of the first academic session of the school and to express gratitude to Founder Chairman Shri B. D. Gulati, a great visionary who transformed a vision into a concrete reality. The celebration began with an auspicious Havan in the gracious presence of Dr. Saroj Suman Gulati, Honourable Director, BBGS.

A host of activities were conducted to commemorate this day. Grades KG-II showcased their creative skills through a wonderful Art Fest while Grades III to V participated in the 'My School Quiz'. An Inter-house Football Match and Cricket Match was organized for the students of Grades IV and V respectively. The enthusiasm continued as the students of Grades VI-XII showcased their affection for the school through creative activities like Greeting Card Making, Poetry Composition, Slogan Writing, Poster Making, and Paragraph Writing. These thoughtfully curated activities cultivated among the students, a strong sense of belongingness and pride towards their school.

COUNSELLING SESSION BY DR. SHANKAR GOENKA

‘Create the highest, grandest vision possible for your life, because you become what you believe.’

On April 08, 2023, the parents and students of BDBBPS had the wonderful opportunity to interact with the most renowned Parenting and Life Coach, and International TEDx Speaker, Dr. Shankar Goenka. Sir addressed the gathering and left everyone spellbound with his eloquence. He shared his expertise on various topics of interest including setting goals, the power of striking the right connect with the children, listening attentively, etc. The parents also got an opportunity to ask questions and clarify their doubts in the Question-and-Answer Session. The way he connected with the audience was truly admired by one and all.

Dr. Trilok Singh Bist, Principal, Brahm Dutt Blue Bells Public School, presented the token of reverence to sir and thanked him for sparing his valuable time. Madam Preeti Phutela, Senior Wing Leader, also expressed

EDUCATIONAL COUNSELLING SESSION

Educational Guidance Session on "The Career Path Ahead in the USA"

Brahm Dutt Blue Bells Public School organised an educational Counselling Session on April 11, 2023, for the students of Classes XI and XII. The Counsellor for the day was Mr. Can (Jon) Erdogmus, who, coming directly from the USA, gave the students first-hand information about various courses, scholarships and internships available there.

The counsellor addressed the list of inquisitive queries that students raised in the discussion. Before beginning the formal discussion, the counsellor impelled the students to think about their interests and preferences with a prime focus on what they relish doing in life. He then guided them about the right route to be taken to reach their study destination abroad. He was also accompanied by Ms. Sananda Das Gupta, another counsellor who guided the students about choosing the right options at the right time. They also addressed the students queries one-on-one to clarify their doubts.

The Principal, Mr. Trilok Singh Bist thanked the guests for sparing their valuable time and guiding the students in the direction of pursuing their dreams.

INTER HOUSE BHANGRA COMPETITION

Baisakhi celebration was held with utmost enthusiasm and fervor in the school on April 13, 2023. An 'Inter-house Bhangra Competition' was organized for the students of Classes III – V. The competition was filled with rhythmic beats, colorful costumes, and captivating performances of the participants of all four houses. The competition was judged by Ms. Sonia Mehndiratta (Senior English Faculty), Dr. Shivali Joshi (School Activity Coordinator) and Ms. Suneeta Kaul (Middle Wing Leader). They appreciated the commitment and talent displayed by each team. The results of the competition are as under-

1st Position: Sarojini Naidu House

2nd Position: Radha Krishnan House

3rd Position: C.V. Raman House & Kalpana Chawla House

The attraction of the assembly presented by the students of Class VIII A was a skit that demonstrated the importance and significance of Baisakhi in India. To add to the festivities, students also presented 'Shabad' and a 'Bhangra', all dressed in bright and colorful attire.

The School Leadership Team appreciated the efforts of the students for the spectacular performances and encouraged them to celebrate all festivals in their real essence.

CELEBRATION OF WORLD HERITAGE DAY

Every year April 18 is observed as World Heritage Day to raise awareness about conserving our cultural diversity and heritage. In order to celebrate the day and make everyone aware about the importance of preserving our heritage, the students of Class XII C organised an informative and interesting assembly.

Paying tribute to the Indian culture, the students started the assembly with a Ganesh Vandana. After the regular features, the students presented a skit which highlighted the various games of the yesteryears and made everyone nostalgic. The speech, which was followed by a quiz, was very informative and helped the students in understanding their roots even better. The rich culture of India was also showcased through different dance forms which left the audience spellbound.

Speaking on the occasion, Mr. Trilok Singh Bist, Principal, appreciated the efforts of the students and shared a few 'shlokas' which, if chanted regularly, would help the students in staying connected with their roots.

EARTH DAY ASSEMBLY

Special Assemblies were organised by the students of Classes VB and VIII B in different slots on April 20, 2023 on the occasion of Earth Day. The assemblies carried an important message that collective efforts and small actions can lead to a positive change towards the betterment of our wonderful planet.

In the assemblies, students presented skits which highlighted the effects of global warming, our careless attitude towards Mother Earth and how we, as responsible citizens could try to reverse them. The song presented by Class VB, and the quiz by Class VIII B also added meaning to the celebration. The School Leadership Team urged the students to make a difference in preserving the environment by taking small steps as each step will have a significant impact on the future of our planet.

INTER-SCHOOL TABLE TENNIS TOURNAMENT 2023 UNDER THE AEGIS OF GPSC

Sports are a crucial part of a student's growth and development. In pursuance of this objective and to pay a tribute to its Founder Chairperson Shri Brahm Dutt Gulati, Brahm Dutt Blue Bells Public School hosted the Shri. Brahm Dutt Gulati Memorial Table Tennis Tournament 2023 under the aegis of GPSC where 16 schools from Gurugram competed against each other. EDUCATION THAT INSPIRES CONFIDENCE

FIELD TRIP FOR CLASS VIII

The school organized an educational trip to crop fields at Gari Harsu village on April 24, 2023, for the students of Grade VIII.

The objective of this trip was to sensitize the students about Crop Production and Management. The students got a first-hand experience of the agricultural practices followed while growing crops, acquainted with agriculture implements, types of crops, methods of cultivation, organic manures, chemical fertilizers, weed control measures, pesticides, and insecticides. They saw many vegetables like gourds, lady finger, cabbage, etc growing in fields. It was a wonderful learning experience for them. The doubts of the students were also cleared by holding an interactive session with farmers after the field visit.

Indeed, it was a fruitful trip where the students not only learned about the nuances of agricultural processes but also the importance of food and gratefulness for the farmers who put in so much labour while producing these grains.

Special Assembly on Buddha Jayanti

5th May, 2023

"A disciplined mind brings happiness." -
Gautama Buddha

To mark the birth anniversary of Lord Buddha and to showcase deep respect and admiration towards him, our little Blue Bellians from Grade I conducted a Special Assembly on May 5, 2023. The assembly commenced with a soulful rendition of a devotional song and the chanting of the mantra 'Buddham Sharnam Gacchami'. After the regular features of the assembly, students gave a very impressive presentation on Lord Buddha's teachings on honesty and selfless service to others. Delving deep into the topic, students shared their perspective on the significance of this day. The presentation concluded with a beautiful dance performance that left the audience awe-struck.

Addressing the students on the occasion, Madam Meenakshi Malhotra, Primary Wing Leader, encouraged the students to practice meditation and put in their best efforts to be exemplary in all their endeavors

ASSEMBLY ON RABINDRANATH JAYANTI

8th May, 2023

"Reach high, for stars lie hidden in you.
Dream deep, for every dream
precedes the goal." Rabindranath
Tagore

A Special Assembly was organized by the students of the school to celebrate the life and legacy of Rabindranath Tagore, the great poet, philosopher, and Nobel Laureate and to declare the members of the Cyber Congress.

The students spoke about Tagore's life, his contributions to literature, and his impact on Indian culture. One of the highlights of the assembly was the performance of the song 'Ekla Chalo Re', one of the most iconic compositions by Gurudev. The students also gave a presentation on some of the most important books written by Rabindranath Tagore.

It was followed by the introduction of the members of the Cyber Congress from Classes III-V. In their well-organized presentation, the members talked about the importance of following safe online practices. They also encouraged the audience to seek help from trusted adults to prevent online threats.

Addressing the students on the occasion, Madam Meenakshi Malhotra, Primary Wing Leader, emphasized the importance of safe online behavior and urged students to be responsible digital citizens. Ma'am also praised the students for their efforts in preparing for the assembly and urged them to pursue their passions and talents with dedication and perseverance.

MOTHER'S DAY

13th May, 2023

**“All that I am or ever hope to be, I owe to my angel mother.”-
Abraham Lincoln**

To celebrate the unconditional love and selflessness of the miracle created by the Almighty called 'Mom', Brahm Dutt Blue Bells Public School celebrated Mother's Day on May 13, 2023.

The celebrations began with an emotional rendition of a song by the choir which was truly an ode to the selfless love of mothers.

The strength, wisdom, and love that the mothers personify was clearly evident in the way they participated in all the activities curated for them to make their day a super special one.

The activities included a basketball match where the 'Dribbling Divas' showcased their agility and left everyone astounded with their skills. In Fusion Dance Activity, mothers accepted the challenge whole-heartedly and gave breathtaking performances. The 'Trash to Trendy' Activity had moms walking the ramp in style, wearing gorgeous dresses they had made from trash showcasing their creativity and imagination. There were many more fun activities which left all moms with a very big smile on their faces.

The event culminated with a beautiful and heartwarming dance performance by the students of Grades Pre-Nursery and upwards that left everyone awestruck. To make the mothers feel pampered and appreciated, they were given beautiful takeaways. Speaking on the occasion, Dr. Trilok Singh Bist, Principal, thanked all the mothers for sparing their valuable time and being a part of the celebration

SCOUTS AND GUIDE CAMP (MIDDLE WING)

15th May, 2023

Brahm Dutt Blue Bells Public School organized a three-day long Scouts and Guides camp for the students of Classes VI to VIII. The aim of the camp is to inculcate practical knowledge into children to enhance their overall development and improve their behavior. The students started their first day at the camp with utmost zeal and enthusiasm. Different kinds of hand signals with voice signals were taught to the children. The students also learned different tricks with ropes and most importantly, they got acquainted with the methods of providing first aid in cases of a medical emergency.

BRAHM DUTT BLUE BELLS PUBLIC SCHOOL

Over a period of three days, the students learned about types of whistles, various claps, and many other skills. The students were taught the meaning of reporting and the correct way to report. They also learned different types of salutes as each salute carries a different and unique meaning.

During the Scout Meetings held on all three days, the students were taught the Scout sign, flag, left handshake, whistle signals, measuring distance, tying knots, and their uses with First aid and safety rules. All through the activities, there was an eagerness amongst the children to learn more new things and get new experiences. The students really enjoyed getting pictures clicked with different Patrols and seniors. The camp was a memorable experience for the children as they learned life skills through this program.

INTERNATIONAL FAMILY DAY CELEBRATION

17th May, 2023

International Day of Families or International Family Day, is a global observance that's celebrated each year on May 15th. The day celebrates the importance of families, people, society, and cultures around the world. Its aim is to raise awareness of issues relating to families across the globe while giving attention to the fact that families are the basic unit of society. To mark this day, the students of Class X D organized a Special Assembly. Along with the regular features, they presented a self-composed poem, speech, and an informative quiz, all on the importance of families. ADVENTURE TRIP TO CHAIL

26th May, 2023

"And then I realized, Adventures are the best way to learn!"

The excited students of Classes VI to VIII of Brahm Dutt Blue Bells Public School reached their destination Chail, Himachal Pradesh for a 5-day long adventurous camping trip on May 26, 2023, after an exciting overnight journey. The first thing that captured the attention of the students was the beauty of nature. The resort was located in the lap of nature amidst the apple orchards. Camp premises were fenced, well-lit and had 24-hour power backup.

The days were divided into 5 phases that aligned with the natural body clock of the students. An hour of exercise which included stretching, jogging, push-ups, sit-ups etc. acted as a perfect warm-up for the tough physical activities that awaited. The camp had trained and first-aid-certified staff to ensure that the participants are safe and engaged. The food provided was delicious and had all the constituents of a balanced diet. Apart from the major meals, students were also provided with energy drinks and snacks at regular intervals.

The camp offered a break to the students from the hustle and bustle of daily life. It made experiential learning authentic and safe. The plethora of activities like Rappelling, Trekking, Rope Climbing, and Guerilla War held at the Camp posed sufficient challenges according to the age and level of students while providing a memorable and adventurous experience. The most magnificent part of the camp was the Star Gazing activity.

By working together, the students learnt the importance of teamwork; identified their strengths, challenged their fears, and became confident and responsible individuals. Students explored the jungle and were given the feeling of raw living as they learnt about survival skills. They were given tips and tricks for making shelters, finding water underground, etc. From the figure of eight to the clove hitch, students learnt about various adventure knots used in mountaineering. In the last hours of the day, Students were encouraged to pen down their thoughts in the form of journal writing. On the last day, the students were appreciated with the titles like Best Tent, Best Navigator, Most Disciplined Group and many more. The children reached back to school on May 29, 2023, with smiling faces. The time the children spent amidst nature and the valuable insight the children got from the Chail Rocksport Camp brought the children back as changed, confident and more fearless people.

LAUNCH OF NEWS BULLETIN

27th May, 2023

BLUE BELLIAN LAUNCH THE SCHOOL BULLETIN

It gives us immense pleasure to share that the first edition of the school news bulletin- 'Abhivyakti' was launched today with much enthusiasm.

Dr. Rakshit Tandon, Cyber Security Evangelist and respected Principal, Dr. Trilok Singh Bist and the other members of the leadership team inaugurated the news bulletin, and congratulated the students for their stupendous effort. Dr. Tandon called it a marvelous initiative and wished good luck to the students. He also encouraged them to include content on cyber hygiene.

'Abhivyakti' is a creative fortnightly initiative of the students, for the students and by the students. They have included school, national, international, sports news, book reviews and interviews in this bulletin. It also has a special Creative Corner, which has given the students a platform to express their thoughts freely, right from the juniors of Class III to the seniors in Class XII. 'Abhivyakti' will be published fortnightly, and the students are determined to ensure that it is a wholesome and enriching read for everyone alike. We wish our students the very best for their endeavor!

RUPIN SUPIN TRIP

4th June, 2023

Brahm Dutt Blue Bells Public School Students Conquer Himalayan Heights By Hoisting School Flag at 3800 Meters by Climbing Vijay Top...

The students from Brahm Dutt Blue Bells Public School demonstrated their supreme adventurous spirit by raising the School Flag and the National Flag at an impressive altitude of 3800 meters above sea level on 'Vijay Top'. An Educational-cum-Adventure Trip was organized by the school for Senior School students in Grades XI and XII from June 4 to June 12, 2023, and involved traversing the challenging forests of Rupin Supin Valley. Despite encountering various weather challenges, the students exhibited their unflappable courage by successfully hoisting the School Flag and the National Flag on the Himalayan Peak known as 'Vijay Top'.

This achievement is a proud testimony to the steadfast approach. It resolute focus and showcased the commitment of the students to bring laurels and accolades to Brahm Dutt Blue Bells Public School.

The esteemed Principal, Dr. Trilok Singh Bist, along with eight teachers and 84 students actively participated in this educational journey which was filled with hands-on learning and honed creative thinking, critical thinking, problem-solving, decision-making, team building, and coordination skills. During this series of learning activities, the students on the first day were introduced to the tent setting. They were taught how to stay inside the tent, use the sleeping bags, and familiarize themselves with the forest surroundings. The following day, the students embarked on their camp journey.

It was their first step towards crossing the valley and forests on foot, which brought about challenges such as fatigue, thirst, and difficulties related to climbing. However, the students persevered, taking each step carefully and steadily. Despite the challenging weather conditions of rain and cold winds, each student reached the camp with their own effort, with self-confidence. They enthusiastically participated in activities at the camp. On the last day, everyone marched ahead with enthusiasm to reach Vijay Top where they hoisted the school flag at 2:30 pm and sang the school song.

After returning to the camp, they had lunch, rested, and played games like dumb charades. The main objective of this educational excursion was to acquaint the students with the invaluable wonders of nature and empower them with a learning experience on how to remain resilient in the face of adversity and keep their spirits high. The trip left an indelible imprint in the hearts of the team members and created memories that will be cherished forever. Students learnt Leadership Skills, Team Building Spirits, Collaboration and Cooperation skills as an outcome of the Experiential Trekking Expedition to the Rupin Supin Trek.

ADVENTURE-CUM-EXPERIENTIAL LEARNING TRIP TO KANASAR, CHAKRATA, AND DEOBAN

5th June, 2023

“To Travel, to experience and learn: that is to live.”-Tenzing Norgay

The school team embarked on a thrilling Adventure-cum-Experiential Learning Trip with the Secondary School students on June 05, 2023. Organized with the aim of providing an immersive and educational adventure, the exciting and enriching trip to Kanasar, Chakrata and Deoban, the beautiful unexplored locations in India took the team beyond the confines of the classroom and into the realm of exploration and discovery. On reaching Chakrata, to acclimatize students to the environment & trekking, they were taken to a farmland and orchid garden that was created by an NGO in association with Uttarakhand Government for planting more than 18000 fruit trees including apples, plums, cherries, and litchis, etc. The group enjoyed the nature walk guided by local experts who provided information about the various plant and animal species found in the region. The team embraced the challenge of hiking through scenic trails, learning valuable wilderness survival techniques when they travelled to the forest checkpoint Deoban and from there trekked to the campsite at Kanasar, a nearby forest reserve famous for its rich biodiversity. They were allotted alpine tents to stay and were involved in team-building activities in two different groups- Tripsters & Travellers. The students went on a guided trek through the forest, learning about the different types of trees, medicinal plants, and wildlife species that inhabit the area. The evening was dedicated to cultural activities for students where they acquired essential skills such as orienteering, fostering self-reliance, and teamwork.

In the next stage of hiking, the team reached Vyas Shikhar Point where they captured the sight of Himalayan Peaks like Bandar Poonch, Swargrohini, Black Peak, Gangotri Group of Peaks, Badrinath Peak, Kedarnath Peak, etc. Taking the hiking to the next level, the troupe was taken to Cliff Point almost 3000 Mts where the students of Brahm Dutt Blue Bells Public School raised the school flag.

While returning they got an opportunity to watch the sunset amidst the beautiful scenes and panoramic views of the Shivalik mountains. The school adventure trip was a resounding success, leaving an indelible impression on the student's lives. It provided them with a transformative experience, combining adventure, education, and personal growth with a deep appreciation for nature, teamwork, and cultural diversity.

GURU PURNIMA ASSEMBLY- GRADE I

4th July, 2023

‘Gratitude to the gurus who inspire us, ignite our curiosity, and open doors to knowledge and self-discovery.’

Guru Purnima is a ritualistic celebration to pay respect to the Gurus- the ones who lead us to the right path of life. A Special Assembly was conducted by the students of Grade I A on July 03, 2023 to celebrate the pious occasion of Guru Purnima with great reverence, enthusiasm, and devotion. The presentation started with the lighting of the lamp and extending a floral tribute to Goddess Saraswati. Thereafter, the students shared a powerful thought acknowledging their teachers as the guiding lights. They expressed their gratitude and admiration through the presentation of beautiful poems and a captivating song. The entire assembly resounded with approbation and veneration for the Gurus. The School Leadership Team showered its blessings on the students. The enriching morning assembly was indeed an apt tribute from the little ones to their mentors!

The students of Class IX D organized a Special Assembly on July 04, 2023 to mark and celebrate this day. Along with the regular features of the assembly, the students staged an entertaining and informative Talk Show on the need for and importance of taking care of our environment. Through this subtly and intricately crafted Talk Show, they could clearly bring home the point that each and every human being is responsible for ensuring a cleaner and greener environment. Senior Wing Leader, Ms. Preeti Phutela, addressed the students and discussed various small steps that can make a big difference towards saving the environment.

Toward the end of the Assembly, Dr. Trilok Singh Bist, Principal, Brahm Dutt Blue Bells Public School, felicitated the teachers by giving away the Pariksha pe Charcha certificates to all the deserving teachers who had participated in the event organized by PMO and had received the certificates signed by the Honorable Prime Minister, Mr. Narendra Modi

WORLD POPULATION DAY

12th July, 2023

A Special Assembly was conducted by Class XI C to celebrate the 'World Population Day'. Along with the regular features of the Assembly, the students presented a melodious song on the theme. They also presented a speech to express their deep concern and care for the healthy growth and safety of the human race. The students linked the menace of population increase with issues like poverty, unemployment, lack of education, and accommodation through a thought-provoking skit that dealt with the reasons for the population increase. They highlighted that there is a huge population explosion in our own country as well as around the globe, bringing home the point that family planning is not only a matter of human rights but is also central to women's empowerment, reducing poverty, and achieving sustainable growth.

The Class Teacher, Ms. Ekta Sharma addressed the students and suggested that each human should be mindful of this issue. Ms. Preeti Phutela, the Senior Wing Leader, also expressed her views and appreciated the assembly.

The Principal, Dr. Trilok Singh Bist was extremely contented to see the active participation and to hear the concern of the young generation towards 'population explosion'. Sir said, "The aim of conducting this special assembly is to spread awareness about the dire consequences of population explosion. It is the present generation of youngsters that can understand the importance of population control better than anyone else and ensure limiting it as they grow up to become responsible citizens."

PLANTATION DRIVE

13th July, 2023

“The creation of a thousand forests is in one acorn.” – Ralph Waldo Emerson

A Plantation Drive was organized by Brahm Dutt Blue Bells Public School, as part of its commitment to environmental conservation and sustainability. The aim of the drive was to create awareness among the students about the importance of planting trees, promoting a greener environment, and mitigating the effects of climate change.

The students enthusiastically participated in the drive and planted saplings in the school campus. The tempo was kept high by narration of self-composed poems by students. Students also participated in poster making and slogan writing activities on importance and need of trees. The Principal, Dr. Trilok Singh Bist along with Wing Leaders also participated in the Drive and appreciated students' efforts.

AN INFORMATIVE WORKSHOP ON CAUSES AND EFFECTS OF NEW AGE LIFESTYLE

20th July, 2023

The school , in association with Hindustan Times, organized a workshop for the students on 'Causes and Effects of New Age Lifestyle' with the aim to provide the students with a comprehensive understanding of the factors that contribute to the emergence and impact of the new age lifestyle. The workshop covered various aspects such as societal changes, technological advancements, and individual motivations that drive individuals towards adopting this lifestyle. The objective was to foster awareness and promote critical thinking about the implications of this trend on personal well-being, relationships, and society as a whole.

Dr. Vineet Sikka, the Resource Person for the workshop, who is working as an Associate Professor in Department of UG Management Studies, Faculty of Management Studies and is a Company Secretary, highlighted the importance of Yoga, Meditation, and other spiritual practices as a means towards a balanced lifestyle.

By exploring the various factors influencing the adoption of the new age lifestyle and examining its potential effects, the workshop enabled the students to make more informed choices about incorporating new age practices into their lives. Overall, it was an interesting and informative workshop.

The vote of thanks was extended by the Senior Wing Leader, Ms. Preeti Phutela. Ma'am also impressed upon the fact that we are not tools in the hands of technology rather we should make wise choice while using technology as it is the tool in our hands. One must consider one's health on priority while adopting a particular lifestyle.

***INDEPENDENCE DAY CELEBRATION BY PRE-
PRIMARY WING***

Freedom is the will to be responsible to ourselves.'

The joyful echoes of freedom and responsibility resonated with exuberance as the young learners of Classes Pre-Nursery to II came together to celebrate India's 77th Independence Day on August 11, 2023.

The celebration began with a Special Assembly by the students of Class II B. The highlight of the assembly was a captivating skit that shed light on the lives of illustrious freedom fighters like Rani Laxmi Bai, Mahatma Gandhi, Jawaharlal Nehru, Subhash Chandra Bose, and Sarojini Naidu.

Little patriots presented a heartfelt patriotic song to promote national unity and patriotism. It was followed by a wonderful ramp walk by the students wherein they showcased the diversity of India. A captivating dance presentation by the young learners infused the atmosphere with patriotic fervor, celebrating the essence of unity and love for the nation.

As the other classes of the Pre-Primary Wing joined in for the grand celebration in the school atrium, a wonderful display of kinesthetic skills by the little ones made everyone appreciate their agility as they performed Free Hand Exercises, Mass Drill to patriotic tunes and excellently coordinated Parachute Drill.

The entire campus echoed with the singing of the National Anthem, uniting everyone in a heartfelt moment of patriotism. Addressing the students on the occasion, the School Leadership Team encouraged the students to take care of the country through small deeds, reminding them that even little actions can make a big difference in building a better and stronger nation for everyone.

VISIT TO FLOUR MILL _ KG

“Tell me and I forget, teach me and I may remember, involve me and I learn.”

In sync with the theme ‘Farm to Table’, an educational trip to a Flour Mill was organised for the students of Class KG on August 25, 2023.

The students observed the entire process of wheat being ground into flour and packed. They were excited to see the wheat being ground by a machine equipped with rollers that broke the grains into pieces and finally converted it into fine white flour.

The students held the wheat grains in their hands to feel their texture and also touched the flour after the wheat had been processed.

It was truly an exceptional experiential learning opportunity for the little ones as they got to know how a product grown by the farmers reaches us and the stages through which it undergoes.

The trip resulted in valuable learning outcomes. Students gained a deeper appreciation for the efforts made by farmers in bringing food from the 'Farm to Table.' Moreover, they were sensitized to the importance of minimizing food wastage.

GANDHI JAYANTI ASSEMBLY

3rd October, 2023

To honour the Father of the Nation, Mahatma Gandhi, and to instill in the young minds the timeless values and principles he promoted, the students of Grade III C and Grade I organised Special Assemblies on September 28 & 29, 2023 respectively to celebrate Gandhi Jayanti.

The Grade I assembly began with the presentation of Gandhiji's favorite bhajans by the choir followed by a thought-provoking quote, and an engaging presentation on the life lessons of Gandhiji and Shastri Ji.

The students of Grade III presented wonderful quotes, poem songs, skit and dance based on the essence of Gandhiji's teachings. The highlight of the assembly was the introduction of the fourth monkey alongside the traditional three. It conveyed a valuable message to students to limit the use of the mobile phones.

The School Leadership Team inspired students to adopt non-violence in their daily lives and contribute to a world filled with peace, compassion, and camaraderie.

THEATRE CLUB ASSEMBLY

9th October, 2023

The students of the Theatre Club of the Middle Wing presented their learning in the assembly held on October 5, 2023. Along with the regular features of assembly, a play on Gender Equality was presented to spread awareness on the sensitive topic.

A monologue from the famous play Andha Yug was also enacted based on the story Ashvathama. The participants utilized their creativity and imagination to present well-knit acts. The acts represented an amalgamation of talent, skills, and knowledge which gave way to experiential learning.

The enthusiasm and earnest efforts of the participants were appreciated in the speech by the Middle Wing Leader, Ms. Suneeta Kaul.

FINANCIAL LITERACY ASSEMBLY

12th October, 2023

The Financial Literacy Club of the Senior Wing of Brahm Dutt Blue Bells Public School undertook the responsibility of educating their peers about the importance of managing finances. Along with the regular features, they presented an informative speech and quiz on the topic Why Can't We Print More Currency Notes to Eradicate Poverty.

Ms. Preeti Phutela, Senior Wing Leader, addressed the students and appreciated their efforts. Dr. Trilok Singh Bist, the Principal, discussed the importance of terms like saving money, recession, inflation, etc.

Overall, it was an enlightening experience to be a part of the assembly for all the students.

Trip to Sariska

25th October, 2023

Brahm Dutt Blue Bells Public School organised an educational trip to Sariska National Park on October 12 & 13, 2023. A group of 63 students from Classes III-V, along with 6 teachers participated in it. On the way, the students visited Tijara Temple. The temple's architecture and intricate detailing along with electronically moving figures sparked curiosity and admiration among the students. The highlight of the trip was the Jungle Safari. It was a thrilling drive through the forest, allowing the learners to witness the beauty and wonders of nature. The learners observed a wide range of plant species, from tall trees to herbs and shrubs, each playing a unique role in the ecosystem. They spotted a diverse array of animals including rabbit, deer, antelopes and nilgai as well as birds like kingfishers, parrots and peacocks. Watching baby crocodiles taking a sunbath along the banks of a serene water body was surely a fascinating spectacle for the learners. This firsthand experience allowed the learners to appreciate the significance of national parks in maintaining ecological balance. They saw how every plant and animal had a part to play, making them aware of the delicate harmony of nature. As the trip ended, the students returned with a treasure trove of memories and newfound knowledge. They attempted a reflection sheet and recorded their observations made during the trip.

BLUE BELLIAN'S VISIT DEEG PALACE

25th October, 2023

38 students and 5 teachers of Brahm Dutt Blue Bells Public School visited Deeg Palace, with the intent to unfold the History and learn beyond the four walls of the classroom. It was a one-day trip and the students made the maximum of it.

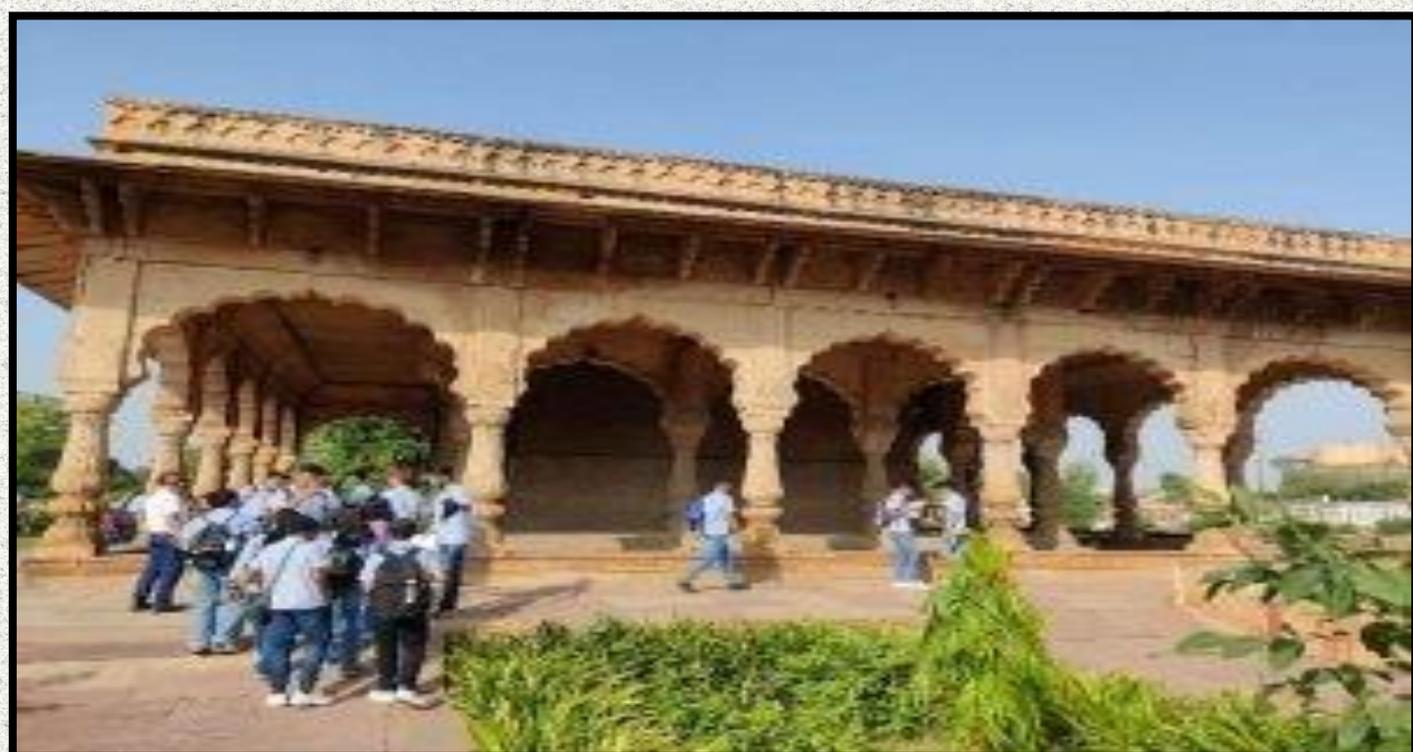

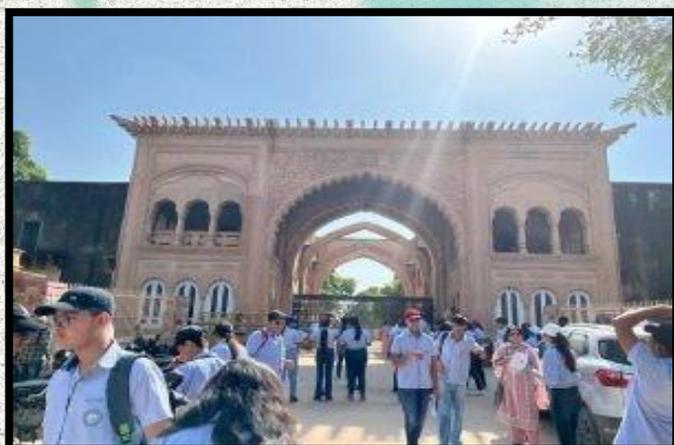

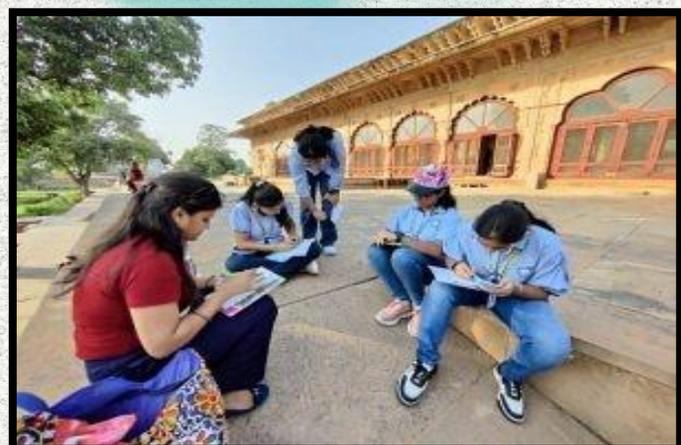

The students were charmed to see that the design of the gardens in Deeg palace was inspired by the Mughal Charbagh. The palace forms a quadrangle with a garden and walkways at its center. Decorative flowerbeds, shrubs, trees, and fountains cool the place considerably during summer. Two huge water tanks, Gopal Sagar and Rup Sagar, on either side also helped to bring down the temperature. It was great learning for the students that during that time, our ancestors had invented the better and more economical version of modern-day Air conditioners, and that too through nature's way.

Our students noted it carefully that Keshav Bhawan, the monsoon pavilion, is a single-storeyed baradari placed on an octagonal base, which stands tall and strong next to the Rup Sagar tank. The edifice has five arches along each side which seem to divide it into parts. An arcade runs around the interior of the pavilion over a canal with hundreds of fountains. The walls of the canal are pierced with hundreds of minute water jets. In the olden days bullocks were employed with large leather "buckets" to draw water to the tank through a complex pulley system.

All in all, it was really a great learning experience for the students which was equally appreciated by the parents and the students.

In the Question-and-Answer section Prableen Kaur from Grade VI, Brahm Dutt Blue Bells Public School, raised the questions to identify the ways in which the students and schools are working together to save environment.

The session concluded with a vote of thanks by Ms Meenakshi Malhotra - Wing In-charge.

SPIC MACAY PROGRAMME

Culture is a powerful force for good in the world. When people from different cultures come together to share their stories and experiences, it can break down barriers and build bridges of understanding. SPIC MACAY (Society for the Promotion of Indian Classical Music And Culture Amongst Youth) is a non-political, nationwide, voluntary movement founded in 1977 by Dr. Kiran Seth with the same motive and purpose.

The most accomplished artist Ms. Ragini Chandreshekhar rendered a one-hour program of Indian classical dance, Bharatnatyam, at Brahm Dutt Blue Bells Public School. The session was attended by the students of the Middle Wing alongwith students from 5 other schools.

Ms. Ragini along with her team members mesmerised the audience with her majestic performance of the famous classical dance. She also interacted with the students and gave valuable lessons and tips to them about Bhartanatyam. The students enjoyed the dance and were mesmerized to see the different hand movements and gestures used by her. She also explained to the students, the meaning of the word Bharatanatyam which consists of the first syllables of the words bha va (expression), ra ga (melody), ta la (rhythm) and natyam (dance). The programme was thoroughly enjoyed by the students and they were highly inspired by the performance. The Head Girl of the school, AainaS Yadav, proposed the Vote of Thanks.

DIWALI CLASS DECORATION COMPETITION IN CLASSES IX TO XII

On the occasion of Diwali, Classes IX to XII decorated their classrooms and corridors with rangolis, diyas and other decorative materials. The theme for the decoration competition was LET'S CELEBRATE AN ECO-FRIENDLY DIWALI. The classroom soft boards looked vibrant and colourful with posters of Lord Ganesha and Mahalakshmi and various slogans. Colorful door hangings and the bandhanwars made with mango leaves made the entrances look beautiful. Students also made rangolis inside the classrooms and in the corridors.

A Classroom decoration competition was held to adjudge the creativity of the students. The Middle Wing Leader, Madam Suneeta Kaul, and Primary Wing Leader, Ms. Meenakshi Malhotra were the esteemed judges for the event.

The boards outside the classrooms looked pretty with diyas, lanterns, colourful posters, etc. which said "Say no to crackers." The Class teachers discussed the importance of celebrating an eco-friendly Diwali with all the students. The students composed poems and sang songs to celebrate the occasion.

The entire Wing wore a festive look and imparted a feeling of joy. The Principal and the Wing Leaders congratulated all the students for their efforts.

The results of the competition are:

Brahm Dutt Blue Bells Public School resonated with patriotic fervour as it celebrated the 75th Republic Day on January 25, 2024. The celebration was adorned by the gracious presence of Dr. Alka Saxena, Deputy Director, Health & Wellness, Blue Bells Group of Schools. The day commenced with the unfurling of the National Flag accompanied by the soul-stirring strains of the National Anthem. The March Past that followed was a sight to behold, showcasing the discipline and precision instilled in the students.

The patriotic fervour reached its peak as melodious Patriotic Songs were presented by the school choir. The celebration took an energetic turn as students showcased their physical prowess through Yoga, Aerobics, and Lazium performances. In the grand finale of the event, an enchanting dance, showcasing the rich and diverse culture of India was presented by the talented students.

Addressing on the occasion, Dr. Alka Saxena addressed the gathering stating the importance of embracing diversity as it opens the doors for vast learning opportunities from others. She also inspired students to take pride in their endeavours and continuously raise the bar for personal growth. Dr. Trilok Singh Bist, Principal proposed the Vote of Thanks and encouraged the students to keep up the spirit of patriotism.

'Synergy-The Sports Fest' The Annual Sports Day

'Sports provide the opportunity to every individual to grow, succeed, and contribute to a bigger purpose.'

We, at Blue Bells believe that sports help the young, impressionable youth learn values like discipline, responsibility, self-confidence, sacrifice, and accountability from them. In sync with this, the Annual Sports Day 'Synergy-The Sports Fest' was held for the students of Classes Pre-Nursery to V on February 10, 2024.

The occasion was graced by the presence of the revered Chief Guest, Mr. Ashish Gulati, Vice Chairman, Blue Bells Group of Schools.

Honourable Director, Dr Saroj Suman Gulati graced the occasion as our esteemed Guest of Honour. The Special Guest for the day was Mr. Kunal Thakran (Alumnus BBMS, National Champion, Swimming and Best Swimmer of Haryana). Mr. Trilok Singh Bist, Principal, Brahm Dutt Blue Bells Public School, extended the formal welcome to all the distinguished guests and parents.

The event began with the Hoisting of the Sports Flag. It was followed by the March Past wherein Director Madam and Mr. Kunal Thakran took the salute and declared the event open. Each troop, representing a house, demonstrated exemplary teamwork and discipline making it difficult for the judges to evaluate the march past presentation. The Lighting of the Flame, Torch Ceremony added a touch of grandeur as the young sports achievers passed the flame with a strong sense of togetherness.

An array of races like Turbo Tots Race, Bouncy Ball Hop Race, Commando Obstacle Race including Tug-of War and Musical Chairs (for the parents) were held in the school ground. In addition to the races, the audience was treated to mesmerising performances including Yoga, Aerobics, Karate, Dance and an impressive Mass Drill.

The achievers of the Sports Day were felicitated by the Chief Guest and other distinguished guests.

Mr. Ashish Gulati, in his address congratulated all the winners and their mentors. Mr. Kunal Thakran, the Special Guest, motivated the students by sharing his own journey as an athlete and how he overcame each obstacle under the guidance of his mentors.

The winners, both students and parents, joyously headed home with medals and prizes. The event left everyone with memories of a day filled with a shared commitment to growth and excellence.

Hawan Ceremony

BRAHM DUTT BLUE BELLS PUBLIC SCHOOL believes 'Havan' cleanses the minds of the students and neutralizes pre-exam nervousness, which in turn raises their performance. In the wake of the same, our school organized 'Havan' on February 10, 2024, to seek the divine blessings of the Almighty for the students appearing in Class X & XII Board Examinations. Teachers and students participated in the Havan with the utmost respect and devotion. Teachers conveyed their blessings by applying Tilak to all the students. Dr. Saroj Suman Gulati, Hon'ble Director, Blue Bells Group of Schools, and Dr. Trilok Singh Bist, Principal extended their best wishes to the students and gave them valuable tips to succeed in life.

~~CHAMPIONSHIP~~ BRAHM DUTT BLUE BELLS PUBLIC SCHOOL SHINES BRIGHT AT IIT BOMBAY

"There is a powerful driving force inside every human being that, once unleashed, can make any vision, dream, or desire a reality."-- Anthony Robbins

With utmost exhilaration and pride, we wish to share that our tech-geeks from Classes III-V bagged the Second Position in the Robotics Event at National Level Championship. The event was held from January 19-22, 2024 at IIT Bombay.

The winning team comprised of Parth Singh Tomar (IIIB), Manan Kadian (VB), Deivik Goyal (VB), Chitransh Gupta (VB) and Tejaswi Gaur (VB). The tech champs competed with the participants of more than 65 schools from all over India. Their stellar performance earned them a trophy along with a cash prize of Rs. 5,000. The school also received a token of honour in recognition of its exemplary commitment towards inspiring a new wave of enthusiasm among students for STEM education.

BRAHM DUTT BLUE BELLS PUBLIC SCHOOL

At the first level, these students attended a two-day workshop which was organised by Vigyantram Technology in association with Abhyuday, IIT Bombay.

This great achievement is a shining testament to the vision of Brahm Dutt Blue Bells Public School as it believes in preparing students for the challenges and opportunities of the 21st century.

Heartiest congratulations to all the achievers and their mentors and may they win many more laurels in the future events!

IGNITE 2023

'The future belongs to those who use technology as a canvas to paint a brighter world.'

A moment of immense pride for our school, as Vaibhav Malhotra of Grade V clinched the First Position in the event 'Ultimate Battle,' part of the Inter-School Competition 'Ignite 2023,' hosted by G D Goenka School, Rohini, Delhi.

Vaibhav, with his exceptional talent, crafted a virtual world in Minecraft wherein he seamlessly wove together the Sustainable Development Goals (SDGs) and demonstrated the transformative power of technology in addressing global issues.

We extend our warmest congratulations to him and wish him continued success in his endeavors!

XAVENIUM 2023

"Believe you can and you're halfway there." - Theodore Roosevelt
With these uplifting words as her guiding light, Annika Vats of Grade III participated in the Inter-school event 'Xavenium 2023' organised by St. Xavier's High School on August 12, 2023 and emerged as a shining star by clinching the second prize in the event 'Tirade'. Her powerful speech on the theme 'My Nature, My Future' along with her impeccable expressions, intonation, modulation, and expressive body language helped her deliver a compelling and memorable performance that left an indelible impact on the audience.

Congratulations to Annika and may she keep shining like a star in the future events!

INTRA-CLASS NEWS READING COMPETITION

"The art of communication is the language of leadership." - James Humes
 With an aim to provide a platform to the students to showcase their communication skills and to celebrate the power of effective news reading, an Intra-Class News Reading Competition was held on April 26, 2023 for the students of Classes III-V

Each class was represented by a team of four students who read the news of different genres, with all participants displaying their exclusive style and delivery. News was read by the participants from the newsrooms specially setup for the event and the audience enjoyed the live telecast in the Seminar Hall. This unique way of conducting the competition was a great way of integrating languages and ICT.

The young newsreaders wowed the audience as they showcased their creativity by using well-crafted Power Point Presentations and engaging videos to bring their news stories to life.

The competition was judged by Ms. Lakshmi, Ms. Heena and Mr. Anil, the English faculty of the school on various criteria, including fluency, pronunciation, voice modulation, confidence and body language. The result of the competition is as under-

BDBBPS SHINES BRIGHTLY AT SHRIYAN MEMORIAL BOXING TOURNAMENT

It gives us immense pleasure to share the remarkable achievements of our students in the recently concluded Shriyan Memorial Boxing Tournament. Advitiya Bhardwaj of Class IV C showcased exceptional prowess and clinched the Gold Medal in the 27 Kg to 30 Kg category. In the 57 Kg to 60 Kg category, Vidushi of class X B demonstrated outstanding skills and secured the Silver Medal.

Heartiest Congratulations to our young achievers and their mentors!

‘Success in sports is measured by the willingness to train, learn, and give your all.’

Reyansh Krishnater of Class IC, exemplified the spirit of sportsmanship as he clinched the coveted First Position In the 3-Lap Race and Second Position in the 1-Lap Race in the Roller-Skating Competition. The event was organized by District Roller Skating Association under the aegis of the Roller-Skating Federation of Gurugram, an esteemed organization run by the Indian Olympic Committee. The fierce competition witnessed participation from over 500 enthusiastic young skaters in the age group of 5-7 years.

Congratulations, Reyansh for the extraordinary achievements in the world of speed skating!

BRAHM DUTT BLUE BELLS PUBLIC SCHOOL

‘Dedication is the spark that transforms effort into brilliant success for champions.’

It was a proud moment for Brahm Dutt Blue Bells Public School as the talented skaters from Classes KG-V proved their prowess by clinching the Second Runner-up Trophy in the Inter-School Speed Skating Competition held at Vibgyor High School, Sector 67, Gurugram on December 12, 2023.

Gulmaaira Sharda of Class III showcased her exceptional skills and earned the coveted title of ‘Best Player in Girls Category’. The achievement was a testament to the commitment of the school to sporting excellence.

Congratulations to the winners and their mentors!

BLUE BELLIAN'S LEAVE AN INDELIBLE IMPRINT AT INTER-SCHOOL DISTRICT ROLL BALL TOURNAMENT

‘Embracing challenges with a relentless spirit fuels the journey to achievement.’

With a vision to cultivate a generation of exceptional athletes, our school's commitment to provide a supportive infrastructure and relentless training sessions, has led to a triumphant feat. The budding skaters of our school skillfully navigated their way to the winner's podium at the Inter-School District Roll Ball Tournament held on August 19, 2023 at Suncity School, Sector 37D.

In the U-9 Girls Category, our young talents, Janvi and Gulmaira of Class III, showcased their prowess and determination, securing the coveted First Position. Similarly, the boys' team comprising of Riyansh from Class I, Ayaan Arora from Class II and Bhavy Siwach from Class III secured the First Position in U-9 Boys Category.

In the U-11 Girls category, Manvi of Class VI exhibited remarkable sportsmanship and clinched the Second Position.

We congratulate our talented skaters and wish them success in all their future endeavours as well.

BLUE BELLIAN'S GLIDED TO GLORY AT OPEN SPEED SKATING TOURNAMENT

The very talented skaters of BDBBPS soared to new heights at the Open Speed Skating Tournament held at RKSA Multi Sports Academy. With unwavering determination, the students participated in all categories (U7, U9, U11, U13 and U14), clinching an impressive total of 11 medals and ultimately lifting the coveted Overall Trophy.

Though the competition was tough as the students competed with the skaters of all the other renowned schools, but the rigorous sports training regime made them glide their way to this triumphant.

Congratulations to the winners and their mentors!

Trips

TRIP TO SARISKA

‘Each step in nature provides us with the chance to explore its wonders.’

Educational expeditions allow the learners to delve into the beauty and complexities of nature, offering them both exploration and valuable learning experiences. In sync with this, Brahm Dutt Blue Bells Public School organised an educational trip to Sariska National Park on October 12 & 13, 2023. A group of 63 students from Classes III-V, along with 6 teachers participated in it.

On the way, the students visited Tijara Temple. The temple's architecture and intricate detailing alongwith electronically moving figures sparked curiosity and admiration among the students.

The highlight of the trip was the Jungle Safari. It was a thrilling drive through the forest, allowing the learners to witness the beauty and wonders of nature. The learners observed a wide range of plant species, from tall trees to herbs and shrubs, each playing a unique role in the ecosystem. They spotted a diverse array of animals including rabbit, deer, antelopes and nilgai as well as birds like kingfishers, parrots and peacocks. Watching baby crocodiles taking a sunbath along the banks of a serene water body was surely a fascinating spectacle for the learners.

This firsthand experience allowed the learners to appreciate the significance of national parks in maintaining ecological balance.

BRAHM DUTT BLUE BELLS PUBLIC SCHOOL

They saw how every plant and animal had a part to play, making them aware of the delicate harmony of nature.

As the trip came to a close, the students returned with a treasure trove of memories and newfound knowledge. They attempted a reflection sheet and recorded their observations made during the trip.

TRIP TO A FLOUR MILL

“Tell me and I forget, teach me and I may remember, involve me and I learn.”

In sync with the theme ‘Farm to Table’, an educational trip to a Flour Mill was organised for the students of Class KG on August 25, 2023. The students observed the entire process of wheat being ground into flour and packed. They were excited to see the wheat being ground by a machine equipped with rollers that broke the grains into pieces and finally converted it into fine white flour.

The students held the wheat grains in their hands to feel their texture and also touched the flour after the wheat had been processed.

It was truly an exceptional experiential learning opportunity for the little ones as they got to know how a product grown by the farmers reaches us and the stages through which it undergoes.

The trip resulted in valuable learning outcomes. Students gained a deeper appreciation for the efforts made by farmers in bringing food from the 'Farm to Table.' Moreover, they were sensitized to the importance of minimizing food wastage.

COMING BACK HOME- SHIVAM SAXENA VISITS HIS ALMA MATER WITH PRIDE

It was a moment of great pleasure for BDBBPS as Mr Shivam Saxena, an alumnus from the batch of 2009 visited the school on 5th July 2023 and interacted with the students of Grades IX and XI regarding his experiences and success at various levels, first as a student leader and then as an engineer at work.

He gave the students advice from his own journey as a student, telling them to participate in sports and co-curricular activities, manage their time well and stay active. He told them about his life as a student at school up to his job as a Petroleum Engineer at Abu Dhabi National Oil Company in UAE and reflected on each phase of the same. Mr Shivam Saxena presented a fun and interactive PPT, which was relevant to the age group. The students soaked in all the advice, and eagerly asked him questions.

BRAHM DUTT BLUE BELLS PUBLIC SCHOOL ORGANIZED A WORKSHOP ON BASICS OF ENTREPRENEURSHIP AND THE SUPPORT ECOSYSTEM IN THE COUNTRY ON 15/7/2023.

The workshop was taken by our Alumna Revika Malik who is an Entrepreneur having her own Fashion label with the name 'Revika' . She is running her label online. She has also worked with renowned fashion designers such as Gauri and Nainika, Pawan Sachdeva, and Nikhita Tandon. She started her label in 2021. The focus of his discussion was on identifying struggle points while working on any innovative idea. Emphasis was on the importance of having a clear vision for innovation and business and searching for options and markets that align with that vision. There is a need for creative and innovative solutions to solve problems and overcome struggle points.

She discussed about the Stages of the Entrepreneurial Journey which includes several stages like idea generation, feasibility analysis, Business Planning, Start-up and implementation and Growth & Expansion.

Her success story tells us that you just require hard work, determination, perseverance and constant upgradation of knowledge and digging in the vast pool of information available around you.

Overall, the workshop was an insightful and informative event that provided attendees with valuable knowledge and the important role played by the entrepreneur in supporting the ecosystem in the country.

JADED

I'm saying this with an exaggerated sigh,
Is it those people or is it just me who is being high??
I was just taught to control my emotions,
But today is when they'll be burnt in commotion.
Better hide.... Lucifer might haunt you.

Why do I see myself as covered as an onion under its peel??
I wonder Will it ever change?
Are they concerned about me, being checked out by a guy?
If so, it can be done either way, then only me.... Why?!

“You can't hold the business chair,
Or your life will turn into a nightmare...
We don't care of how you're feeling!
No...No...No... how can YOU ride a car??
It's a man's role after all”
Duh!

They just can't lock me in their fist..
As I'm not the doll of their puppet show from now.
Yes! I'm a girl, with endless roles in the picture of life...
It will either flop or come out as a blockbuster.

- HINA (XII D)

ENDING THE END

Sitting here with one foot on either side of the ledge,
Having a peek down the highest storey of the building...
I can't help but think of - Suicide.

On the contrary, I still wonder,
How people ultimately come to the decision to just END?
And do they ever regret it?
(As if they get the chance to!)

There has to be a little bit of remorse in the brief free fall ——
Between the moment after letting go and before it impacts.
Or maybe, they just look at the ground,
Which seems to be rushing towards them...
Their hearts pounding the fastest and they think ...
“ Well, let's abort the mission.”

Yes! I think about death a lot.
Particularly today, when I realised that I haven't always had it easy,
But that's not what stopped me from 'living'...
There are times when everything seems almost too good to be true,
And also, when your complete aversion to life is disturbing.

This is when you link to the past you left behind.
Some of us, being victims, learn to smile through our tears....
While most of us just want to “End the End”.

TITLE: THE PHANTOM OF MOONLIGHT MANOR

Once upon a moonlit night, in the heart of a misty forest, stood Moonlight Manor, an ancient and eerie mansion whispered to be haunted by a malevolent spirit. For years, locals avoided the decrepit estate, tales of ghostly apparitions and chilling screams sending shivers down their spines. Among those brave enough to venture near was young Thomas, a curious soul with a fascination for the supernatural. Ignoring warnings, he crept through the overgrown gardens, drawn by the mystery that cloaked the manor like a veil of shadows. As Thomas approached the mansion's imposing facade, a chilling wind swept through the trees, and he heard faint whispers carried by the night. Undeterred, he pressed forward, his heart pounding in anticipation.

Suddenly, a spectral figure materialized before him, its form ethereal and foreboding. "Beware, mortal," it moaned, its voice echoing with otherworldly resonance. "Turn back now or suffer the wrath of the damned!" Thomas trembled but stood his ground. "Who are you?" he asked, his voice quivering with fear. "I am the Phantom of Moonlight Manor," the apparition replied, its words dripping with menace. "For centuries, I have haunted these halls, tormenting any who dare to trespass." Thomas swallowed hard, but his curiosity outweighed his fear. "What do you want from me?" he ventured, taking a tentative step forward. The phantom's eerie laughter filled the air. "I want your soul, mortal," it hissed, drawing closer with each passing moment. "But first, I shall feast upon your terror." Just as the phantom reached out to ensnare him, a soft glow illuminated the darkness, and a figure emerged from the shadows.

It was a woman, her beauty ethereal and otherworldly, her eyes pools of moonlit enchantment. "Stop!" she cried, her voice like a soothing melody cutting through the night. "Leave him be, spirit of darkness." The phantom recoiled, its form flickering uncertainly. "You dare to defy me, sister of light?" it snarled, its rage palpable. The woman stepped forward, her gaze unwavering. "I am no sister of yours, foul spirit," she declared. "I am Seraphina, guardian of Moonlight Manor, and I will not allow you to harm another soul." With a wave of her hand, Seraphina unleashed a wave of radiant energy, banishing the phantom back into the shadows from whence it came. As the darkness receded, the manor seemed to sigh in relief, its haunted halls bathed in the soft glow of dawn's first light. Thomas stared in awe at the woman who had saved him, her beauty now more captivating than ever. "Who are you?" he asked, his voice filled with wonder. Seraphina smiled, her eyes twinkling with ancient wisdom. "I am but a guardian," she replied, her voice a gentle whisper on the wind. "A protector of souls lost to the darkness, a beacon of light in a world consumed by fear." As the sun rose above the horizon, casting its golden rays upon Moonlight Manor, Thomas realized that sometimes, what we see is not the truth. For behind the veil of fear and uncertainty lies beauty and compassion, waiting to be discovered by those brave enough to seek it.

भ्रष्टाचार मुक्त भारत विकसित भारत

देश के विकास दर को बढ़ाना है, तो भ्रष्टाचार को मिटाना है। भ्रष्टाचार का अर्थ है कि ऐसे आचरण जो किसी भी दृष्टि में आनैतिक और अनुचित हो। जब कोई व्यक्ति न्याय व्यवस्था के मान्य नियमों के विरुद्ध जाकर अपने स्वार्थों की पूर्ति के लिए गलत आचरण करने लगता है। तो वह व्यक्ति भ्रष्टाचारी कहलाता है। हमारे देश में भ्रष्टाचार बढ़ता जा रहा है और उसके कई कारण हैं। जैसे नौकरी के अवसरों की कमी जिसकी वजह से युवा पीढ़ी गंदे कामों में पड़ जाते हैं। हमारे देश में लोग भ्रष्ट आचरण जैसे रिश्वत देना और लेना, आयकर का भुगतान न करना, व्यापार चलाने के लिए भ्रष्ट साधनों का पालन करना आदि से दूर हो जाते हैं। लोगों की गतिविधियों की निगरानी के लिए कोई सख्त कानून नहीं है और यदि कोई पकड़ा भी जाता हो तो उन्हें सही सजा नहीं मिलती। शिक्षित लोगों से भरे समाज में कम भ्रष्टाचार का सामना करने की संभावना है। जब लोग शिक्षित नहीं होते हैं, तो वह अपनी आजीविका कमाने के लिए अनुचित और भ्रष्ट साधनों का उपयोग करते हैं। हमारे देश में निम्न वर्ग शिक्षा के महत्व को कम करते हैं और इससे भ्रष्टाचार बढ़ता है। बाज़ार में लालच और बढ़ती प्रतिस्पर्धा भी भ्रष्टाचार का कारण है। इन दिनों लोग बेहद लालची हो गए हैं।

वे अपने रिश्तेदारों और दोस्तों से अधिक कमाई करना चाहते हैं और इस भीड़ में वे अपने सपनों को साकार करने के लिए भ्रष्ट साधनों को नियोजित करने में संकोच नहीं करते हैं। हर कोई चाहता है कि देश भ्रष्टाचार मुक्त हो और इस दिशा में कुछ न करने के लिए सरकार की आलोचना करें। सरकार को इसे भ्रष्टाचार मुक्त भारत के लिए एक ज़िम्मेदारी के रूप में लेना चाहिए क्योंकि हमारा देश प्रगति नहीं कर सकता यदि यह समस्या बनी रहती है। भ्रष्टाचार की ओर ले जाने वाली प्रत्येक समस्या को अपनी जड़ों से हटाना होगा। अच्छे रोज़गार के अवसरों की कमी, जो भ्रष्टाचार की ओर ले जाते हैं, जनसंख्या की बढ़ती दर के कारण होते हैं। देश की जनसंख्या की नियंत्रित करने के लिए सरकार को सख्त कदम उठाने चाहिए। इसी तरह भ्रष्टाचार मुक्त भारतके निर्माण के लिए हर पहलू पर काम करना होगा। इस समस्या का एकमात्र समाधान किया जाना चाहिए कि हमारे सभी नेता या अच्छे पदाधिकारी अपने पदों का सदुपयोग जनता के कल्याण में करें। अन्यथा वे दिन दूर नहीं जब हमारी एकता, अखंडता, राष्ट्रीयता और स्वतंत्रता समाप्त हो जाएगी। हमें इसका खुलकर विरोध करना चाहिए ताकि हमारा देश उन्नतिशील और विकसित बन सकें।

हंस हो जिनका वाहन,
जिनके आने से शुरू होता सावन।।

जो विराजे कमल के पुष्प पर,
जो दर्शाता तेज़, विद्या और कर।।

जिसका वाद्य यंत्र है वीणा,
जिनका संगीत हर ले सबकी पीड़ा।।

पीला रंग को प्रिय जिसका,
प्रसन्न हो जाए अगर चढ़ा दो गैंदें सा किनेरे का एक भी
तिनका।।

जो है स्वयं महालक्ष्मी का अवतार,
बोली इतनी मीठी जैसे बज रहा हो सितार।।

वेदों की ज्ञाता,
ब्रह्म देव की निर्भाता।।

जिनकी वीणा बजने से होता नारा अज्ञान के अंधकार का,
उत्पन्न होता ज्ञान कई प्रकार का।।

जो जानी जाती गायत्री के नाम से,
करती हाल हर मुश्किल का शांत स्वभाव से।।

देवी जो कला की,
जो जपती माला स्फटिक की।।

शधता हो जिनके पसंद,
और वातावरण जो हो स्वच्छंद।।

जिनका नाम देवी सरस्वती,
जिनके प्रिय नहीं खाती।।

देवों के देव- महादेव

वो जिनकी जटाओं से गंगा बहती है,
वो जिन्होंने हालाहाल विष का उपभोग किया।
वो जो नीलकंठ है,
वो जो आदीयोगी है।
वो जिनके सर पर चंद्र का मुकुट है,
वो जो त्रिलोचन है,
वो जो मृत्युंजय हैं।
वो जिनके कंठ में वासुकी का हार है,
वो जो शमशान में बसते हैं।
वो जो विभूति और रुद्राक्ष से श्रृंगार करते हैं,
वो जिनकी शक्ति स्वयं काली है।
वो जो सर्वश्रेष्ठ धनुर्धर है,
वो जो अपने डमरू की धुन पर तांडव करते हैं।

वो जो सर्वज्ञाता है,
वो जो सबसे भोले हैं,
वो जिन का कैलाश में निवास है।
वो जो करुणा के अवतार है और कपूर जैसे शुद्ध,
वो जो काशीनाथ है,
वो जो विनाश के देवता है।
वो जिनको अधूरी पूजते हैं,
वो जो कार्तिकेय और गणेश के पिता है।
वो जो नारायण के आराध्या हैं और जिनके अराध्या है
वो जो सत्य हैं और वही सत्य सुंदर है,
वो जो अपने भक्तों की सदैव रक्षा करते हैं,
वो जो देवों के देव-
महादेव।।

‘परीक्षा पे चर्चा’- एक प्रेरणा स्रोत

“क्या सपने हैं उसके (युवा मन के), क्या संकल्प हैं... सच में वह मेरे लिए बहुत बड़ा खजाना है।”

-प्रधान मंत्री श्री नरेंद्र मोदी

परीक्षा पर चर्चा का सम्मेलन हम बच्चों के लिए एक बहुत बड़ा सौभाग्य है जहाँ हमारे प्रधानमंत्री श्री नरेंद्र मोदी जी हमें परीक्षा को तनाव मुक्त बनाने पर मार्गदर्शन देते हैं। उनकी दी गयी सलाह और शिक्षा हम छात्रों की जिंदगी को सरल और भविष्य को सफलता की ओर ले जाता है। स्मार्ट वर्क या हार्ड वर्क? कौन- सा अधिक महत्त्वपूर्ण है? क्या मायने रखती है? "स्मार्टली हार्ड वर्क" करना महत्त्वपूर्ण है। हमें अपने लक्ष्यों को प्राप्त करने के लिए कड़ी मेहनत करने की जरूरत है, लेकिन चतुराई से। श्री नरेंद्र मोदी जी ने एक प्यासे कौवे की प्रसिद्ध कहानी के माध्यम से अपने विचार को सटीक रूप से समझाया। उन्होंने हमें अपना सर्वश्रेष्ठ प्रयास करने और बुद्धिमानी से करने की सलाह दी। उन्होंने हमें सिखाया की नकल करना एक बुरी आदत है। यह न केवल हमारे भविष्य के लिए बुरा है बल्कि एक लत भी बन जाता है। उन्होंने बताया कि कैसे इस कदाचार में होने से किसी और पर निर्भरता हो जाती है। अगर हम नकल न करें और उन लोगों से दूर रहे जो गलत काम करते हैं, तो हम एक ईमानदार इंसान बन सकते हैं और हमारा भविष्य भी सफल बन पाता है।

"कल करे सो आज कर। आज करे सो अब" समय प्रबंधन भी सफलता को प्रभावित करने वाले प्रमुख कारणों में से एक है। परीक्षा के दौरान समय का प्रबंधन करने और उसी के अनुसार अध्ययन करने से अच्छे परिणाम मिलते हैं। श्री मोदी ने अपने दृष्टिकोण को व्यक्त करने के लिए एक उदाहरण के रूप में हमारी माताओं का उपयोग किया। एक माँ अपना काम समय से पूरा करती हैं और अपने खाली समय का उपयोग बुनाई जैसी गतिविधियों के लिए करती हैं। इसी प्रकार हमें भी समय का सदोपयोग करना चाहिए और समय का मूल्य समझना चाहिए।

यह कार्यक्रम ने मेरा और मेरे साथ हर एक छात्र को भविष्य और परीक्षाओं के लिए तैयार किया है। उनकी राय और सिख ने हमें अपनी परीक्षाओं में अव्वल अंक प्राप्त करने के लिए सहायता की है। अब चाहे वह परीक्षा हमारी जिंदगी ही क्यों ना हो।

माँ

कितनी प्यारी सीधी-साधी,
सादगी की मूरत है ।
देखू जिसमे भगवान की मूरत,
मां तू कितनी खूबसूरत है ॥

उंगली पकड़ कर चलना सिखाती ,
लोरी गा कर हमे सुलाती ।
ना रखती बच्चों में अंतर,
मां तू कितनी खूबसूरत है ॥

मेरी हर गलती छुपाती,
पापा की डाट से बचाती ।
दूर करती हर संकट को,
मां तू कितनी खूबसूरत है ॥

दोस्त मेरी है, सखी मेरी है,
जिंदगी की पहली गुरु मेरी है ।
नज़र रखती मेरी हर हरकत पर,
माँ तू कितनी खूबसूरत है ॥

पूरी करती हर जिद मेरी,
हर उलझन सुलझाती है ।
हर कदम पर मुझे जिसकी जरूरत,
माँ तू कितनी खूबसूरत है ॥

गुरु-शिष्य

गुरु शिष्य का नाता प्यारा,
सभी को ये नाता भाता ।
गुरु सीखाता शिष्य सीखता,
गुरु शिष्य का नाता प्यारा ।
बिन शिक्षक शिक्षा अधूरी,
बिन शिक्षक के शिष्य अधूरा ।
अद्भुत, है ये अटूट नाता प्यारा,
गुरु शिष्य का नाता प्यारा ।
एक दूसरे के बिना अधूरे,
गुरु की महिमा अपरम्पार ।
कोटि कोटि है नमन उन्हें,
गुरु शिष्य का नाता प्यारा ।

शुरुआत

बैठा था मैं कमरे में,
कहने को तो है बहुत कुछ पर
खुद से क्या बतलाता ॥

दीवारों से बातें कर
खुद को मैं बस ये समझाता।
आज नहीं तो कल-परसो
सबका है सूरज आता, सबका है सूरज आता

अभी गिरा तू, अभी उठेगा
अब ही तो चलना सीखेगा,
अब तू अपने श्रम-बल-मन से
गगन का माथा चूमेगा,
गगन का माथा चूनेगा।

कोशिश कर तू
हिम्मत रख तू
न कर तू वक्त यूँ जाया
इक दिन तो, हाँ तेरा भी होगा
जग में परचम लेहराया
जग में परचम लेहराया।

दुनिया छोटी
मन भी छोटा
अब न कर तू दिल यू छोटा
अरे,
कभी कभी वो बड़ी सी खुशियां
उन छोटों में मिल जाती है
बस छोटों में ही मिल जाती है

एक बार को गिरने से
नायक न रोया करते है
गिरते संभलते - उठते
फिर रातों को ना सोया करते हैं
रातों को ना सोया करते हैं,

दीवारों से गप-शप कर
खुद को मैं ये बदलाता
अरे
“अभी तो बस शुरुआत ही की है
अंत करेगा तू ही”
अंत करेगा तू ही

LES PLAISANTERIES

- C'est logique

Julien demande 10 euros à son père.

- C'est pour quoi faire?
 - Pour donner à une vieille dame !
 - C'est très bien de vouloir l'aider ! Et où est cette vieille dame?
 - Là-bas, elle vend des glaces !
-

- Toto Et La Conjugaison

La maîtresse demande à Toto:

- Conjugue-moi le verbe savoir à tous les temps.
 - Je sais qu'il pleut, je sais qu'il fera beau, je sais qu'il neigeait.
-

Un garçon demande à son père :

- Papa, pourquoi regardes-tu seulement les rayons les plus bas à l'épicerie ?
 - Pour trouver les prix les plus bas!
-

Je suis une petite pierre blanche qui tombe dans une mer noire. Un tourbillon argenté, et je disparaiss. Qui suis-je?

Un morceau de sucre.

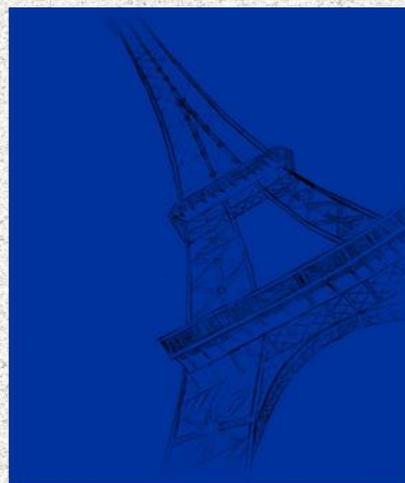

Jean se plaint à un ami:

- Ma mère m'a puni pour quelque chose que je n'ai même pas fait.
- Oh vraiment? Qu'est-ce que c'est?
- Mes devoirs.

L'INFORMATION SUR FRANCE

- ❑ La France est le pays le plus visité dans le monde: 83 millions de touristes en 2012. France une fois contrôlée plus de 8% des terres du monde.

LES ORIGINES DE L'ART FRANÇAIS

Les origines de l'art français ont été très influencés par l'art flamand et par l'art italien à l'époque de la Renaissance. Jean Fouquet, le plus célèbre peintre français médiéval, dit avoir été le premier à se rendre en Italie, tels que Primatice et Rosso Fiorentino, qui ont tous deux travaillé en France. Deux des plus célèbres artistes français de Claude Lorrain vivaient en Italie. Le 17ème siècle a été la période où la peinture et de sculpture est devenue importante et s'individualisa par le classicisme. Le Premier Ministre de Louis XIV, Jean-Baptiste Colbert, fonda en 1648 l'Académie Royale de peinture et de sculpture pour protéger ces artistes. Il créa en 1666 française encore en activité à Rome pour avoir des relations directes avec les artistes italiens. Les artistes françaises ont développé le style rococo dans le 18ème siècle, comme imitation plus intime de l'ancien style baroque, les œuvres des artistes judiciaires Antoine Watteau, François Boucher et Jean-Honoré Fragonard étant la plus représentative dans le pays. La Révolution française a apporté de grands changements, que Napoléon a favorisé, des artistes de style néoclassique, comme Jacques-Louis David et la très influente Académie des Beaux-Arts défini de style connu comme Académique.

MA BELLE MÈRE

Une mère est la personne la plus précieuse dans la vie sur tout le monde dont nous ne pouvons pas décrire complètement dans les mots. Cependant, certains des moments précieux avec notre mère peuvent être décrits. Une mère est la personne la plus belle et la plus attentionnée de nos vies. Elle se préoccupe toujours de chaque moment pour nos besoins sans elle aucune intention personnelle. Dans la matinée, elle nous appelle très doucement pour se lever du lit et pendant la nuit elle nous raconte de belles histoires pour nous faire dormir avec un beau rêve. Elle nous aide à nous préparer pour l'école avec le petit-déjeuner et le déjeuner hygiénique appropriés. Elle attend toujours à la porte pour nous pendant que nous revenons de l'école. Elle nous aide à faire nos devoirs scolaires.
