## MESSAGE

Dear Readers

*"Education is the power to think clearly, the power to act well in the world's work and the power to appreciate life."*

Life is all about 'living' and understanding its celestial beauty, for life is factual, deep-rooted in 'truth' and 'reality'. On the contrary today's child is living in a virtual world which is illusionary and quite distanced from the realistic world. This virtual world may seem to be more beautiful as it gives extensive and unnatural powers to the modern child making him or her feel like a superhero, but it is completely distanced from reality. As the Leader of an educational institute I strongly feel that we need to provide our children with such a module of education which empowers them to appreciate life's beauty in its most realistic and truthful form even though the 'Truths of life' are unpleasant and often disturbing.

The need is to understand that this illuminating exposition or the nature of 'truth' and 'beauty' is timeless and startlingly relevant for those in search of the 'inner self'. Indeed, we may emphatically assert that the actual truth, which is absolute, is always beautiful. Truth is so beautiful that many sages, saints and devotees have left everything for the sake of truth. Even Mahatama Gandhi, an idol of the modern world, dedicated his life to experimenting with truth and all his activities were aimed towards truth only.

As I extend my sincerest compliments and heartfelt felicitations to all my young scholars from classes X & XII who have proved their mettle in the Board Examinations by registering a commendable result, I wish to reiterate children that this is just the beginning of your experiments with the truths of life. Competition is another truth of life which you will encounter as you put your next foot forward, but remember my children, it is healthy competition and a positive mind-set which sets our pace towards success. So be positive and live your life to the fullest by experimenting and comprehending the nuances of the truths of life. This will initiate your journey towards exploration and experimentation with 'Self' and learning the science of 'Self-Realisation'.

I urge my students to forge ahead and embrace their future with open arms and enthusiastically pursue their journey towards self-exploration and live a contented and peaceful life. My best wishes and blessings shall always be with you at every step you take. May God's grace be always with you as your guiding and motivating force.

**Dr. Saroj Suman Gulati**  
Director  
Blue Bells Group Of Schools

## HALLMARK OF EXCELLENCE IN EDUCATION : OUTSTANDING CLASS XII RESULT

*"The will to win and the desire to succeed will unlock the doors of excellence."*

Continuing the legacy of excellence and commitment, class XII students of Blue Bells Public School performed brilliantly in AISSCE-2018. Out of 115 students who appeared for the exam this year, 16 students have scored 90 % and above in aggregate in all the three streams viz. Science, Commerce and Humanities. Ashlesha Kumar topped the Non Medical Science stream by scoring an aggregate of 95% and Shivani Yadav scored 93.4% in Medical Stream. Vaibhav Gupta and Prashorya Negi from Commerce stream topped by scoring an impressive 94.8%. This exceptional performance in AISSCE - 2018 is the result of collaborative efforts put in by hard working students, highly motivating faculty and supportive parents.

## ➡ AN ODYSSEY OF LITERATURE : LITE SUBDUNAIRE 2018, INTER SCHOOL LITERARY FEST

Enhancing the diverse thinking among students and helping them hone their creative spirit and imagination Blue Bells Public School, Sector 10, Gurugram celebrated its yearly Mega Event 'Lite' Subdunaire, the Literary Fest with great pomp and show on May 10 and 11, 2018 in the school campus. All the reputed schools of Gurugram participated in the competition to showcase their talent and flair for literature. The main events were - Story Enactment, Quiz, Debate and Dramatic Monologues for the students of Classes III to XII. The Opening Ceremony of the Event on May 10, 2018 was adorned by the illustrious presence of Ms Meera Balachandran, Director, Education Quality Foundation of India and a proud recipient of the President's National Award for Teachers in the year 2000, who very kindly consented to grace the occasion as a Chief Guest. Ma'am was overwhelmed to see the efforts and performance of the students. In her inspiring address, she urged the teachers to inculcate sportsman spirit in the participants and make attempts to nurture 'Happy Generation'. Ms. Soumya Gulati, Deputy Director (Academic Development & Innovations), BBGS graced the occasion and blessed everyone with her radiant presence. Ms. Arpita Acharya, Vice Principal of the school accorded a Formal Welcome to the distinguished gathering. The budding Blue Bellians enliven the Characters from 'Panchtantra' with such an audacity that Judges really faced tough time to find best of the bests in Story Enactment for Classes III to V. While the students were engrossed in different events, the students of Classes VI & VII from fourteen renowned school appeared for the E-Wiz (Quiz) Written Round and top six teams were selected for the Finals wherein it was a tie break to decide the Second Runners Up position. It was a proud moment for the teachers to see the way the students of Classes VIII to X expressed their concern on 'Justice Delayed Is Justice Denied, the topic given for the Debate Competition. The Shakespearean characters raised the bar further. The audience could not decide till the end whether those immortal characters got their due or justice was denied to them in 'Unheard Story: Unmasking the Mask', Theatre Event for Classes XI & XII. In order to bring 'comic relief', "STAND UP comedy" was a welcome add on. The students once again reiterated that there is no limit for creativity and innovation. The Closing Ceremony of the event on May 11, 2018 was embellished with the

gracious presence of Dr. Saroj Suman Gulati, esteemed Director, BBGS. Ma'am gave away the Prizes to all the worthy achievers. The Overall Winners Trophy was lifted by Blue Bells Public School, Sector 10, Gurugram for their outstanding performance in all the events. Speaking on the occasion, Director Madam congratulated the school team for the organizing the event and marvellous performance and presentation. Ma'am further wished everyone luck for the future ventures. The twodays Mega Event was thoroughly enjoyed by the participating schools as it helped children enter into the world of literary characters and thereby add a literary flavour through the different artistic presentation.

## ➡ HEALTH & WELLNESS INITIATIVES

"Somewhere along the way, we must learn that there is nothing greater than to do something for others."

Great institutions are born out of great vision and Blue Bells Group of Schools is one such institution which houses thousands of dreams and nurtures them all. We at Blue Bells believe in imbining a strong value system in the students along with focusing on their academic excellence. It is in recognition of this exemplary and consistent contribution that Dr Alka Saxena

(Deputy Director, Health and Wellness, Blue Bells Group of Schools) was felicitated by Help Age India at India International Centre, New Delhi on May 14, 2018 in a seminar on Visualizing Ageing In. The Sustainable Development Goals. The event witnessed the presence of many dignitaries of National and International repute. Heartiest Congratulations to all the members of Blue Bells Group of Schools!

## ➡ WORKSHOPS BY THE HEALTH & WELLNESS RESOURCE CENTER

Dr. Alka Saxena, Deputy Director, Health and Wellness, Blue Bells Group of Schools, took this responsibility in 2009 by establishing the Health and Wellness Programme. Over a period of time Dr. Alka Saxena has groomed a full - fledged team of Counselors and Teachers to empower students, thus contributing in strengthening the fabric of the institutions. Since then the Health and Wellness Programme has been working incessantly with the aim to tap the hidden potential of students. A SERIES OF WORKSHOPS were conducted by the Health & Wellness Resource Center Team to empower parents and students to handle core issues. Brain Storming sessions further empowered them to find strategic solutions and provide positive hand - holding.

## SESSION FOR MOTHERS ON ART OF POSITIVE PARENTING

As a part of Health & Wellness Programme, an interactive session on "The Art of Positive Parenting" was organized and conducted by Health & Wellness Resource Center Team on May 5, 2018 to mark the occasion of Mother's Day Celebration. Dr. Alka Saxena explained to the mothers, that children do as they see and not as they hear. She shared that while communicating, it is important to ask instead of telling as it encourages one to search for answers. Ma'am further talked about the importance of empowering children as this helps them to be self-sufficient and provides them with confidence. Ma'am briefed about the importance of Setting Routine as this empowers children to be cooperative and motivated. It was rejuvenating to watch the mothers taking active part in the interactive discussions and activities which were the part of this invigorating workshop.

## GOAL SETTING WORKSHOP FOR CLASS XII

Interactive session was conducted for Class XII on April 12, 2018 and the theme for the session was Setting Goals And Managing Time in Summer Vacations. After regular interactions with the students, it was felt that the students of Class XII will benefit from goal setting as during the vacations, the students have lot of unstructured time for themselves and sometimes they do not know how to utilize that time to the optimum. Hence, the need was felt to acquaint the students to understand the importance of setting goals for summer vacation so that they can plan during the vacation along with their studies. This will further result in enhancing their knowledge along with following their passion. In the session facilitator focused on importance of the goal setting, how we can set SMART goals, and always set your own goals for yourself. Goals are about what you want to do, rather than not want to do. The facilitator also briefed about time wasters and how time can be managed effectively and also focus on time management. The students

were also apprised about how they can increase their productivity by using some tips like :- always planning the day in advance, consolidating similar tasks together, learning to say no when they are busy etc. The students were also advised about healthy life style which would help them gain physical fitness and mental alertness.

## STUDY SKILLS FOR CLASS XI

The theme for this module emerged due to some concerns that were shared by the students on the change they witnessed from Class X's CCE pattern to Class XI's studies that appeared humongous for them and lead to stress. This was the resultant of the change in the course structure, study time and the way of studying. In sync with the same, an ardent need was felt by Dr. Alka Saxena, Deputy Director (Health & Wellness), BBGS and the Resource Center team to take this theme with the students of class XI so that they can be comforted and also help them feel more prepared to deal with the changes around. The interactive session was taken by the school Counsellors on May 18, 2018 which witnessed the enthusiastic participation of the students. As Class XI forms a solid foundation for Class XII, therefore, the beginning of new academic session was the most appropriate time to discuss certain important study skills which the students can use to plan, study and prepare themselves throughout the year. The key points discussed in the sessions with the students were about the changes and how they were feeling about them. The PQRS (Preview, Question, Read, Self-study and Test) technique of studying was discussed in detail wherein the students were told about the importance of studying in a systematic manner to retain information. Some points about organizing themselves were shared with them. Besides that some hands on tips on note taking, note making, academic reading skills, and writing skills were shared with them. A befitting close to the session was the discussion on the importance of a study friendly environment where prominence was given on understanding their pattern of studying and focusing on their learning styles.

## PEER EDUCATOR FELICITATION CEREMONY

We, at Blue Bells Public School strongly, feel that if the foundation of values is strongly laid and children are equipped in their life skills then future will naturally be secure, as these children will grow up to become committed and confident citizens. With this in mind, the school organized various activities under the aegis of Health & Wellness Programme to choose the Health & Wellness Council. Dr. Alka Saxena, Deputy Director (Health and Wellness), BBGS, along with the team of school counselors and teachers designed the competitions and activities which gave a platform to the students to discover their inherent potential. The team of students was selected through a well-planned selection procedure comprising the Written Round, JAM Session, Team Building and Personal Interview with Dr. Alka Saxena. Peer Educators for the Academic Session 2018-19 were administered oath on May 18, 2018. Ms. Arpita Acharya, the revered Vice Principal of the school conferred the Members with badges Ma'am congratulated them and admonished them to be impartial and honest in discharging their duties. She also exhorted them to uphold the values. Ma'am reminded them that with position comes responsibility towards themselves, their school and peers and struggles help one to achieve heights.

## ATL COMMUNITY DAY CELEBRATION

The school celebrated Community Day under the initiative of NITI Aayog on April 13, 2018 to commemorate the birth anniversary of Dr. B.R. Ambedkar. Ms. Arpita Acharya, Vice Principal of the school extended a warm welcome to all the participating schools. Ma'am briefed the august gathering about the ATL initiatives of the school. Various award-winning projects under the flagship of ATL were shared with the schools. Varied IT Sessions were carried out by ATL students and teachers involving hands on learning opportunities. Around 50 students

from Non ATL schools enthusiastically participated in the event. They were given basic prototyping material or DIY kits to expose them to the world of designing, thinking, tinkering and innovation. The officials from Niti Ayog lauded the effort of the school to contribute effectively in meeting with the objective of the event. The school students and teachers visited the Govt Girls School, Bheem Nagar, Gurugram to join hands in building young innovators. Various DIY activities were conducted there for the students. It was the humble way of the school to share resources with the society and students to showcase its commitment for heralding a new horizon for the nation.

## INVESTITURE CEREMONY

To inculcate the leadership qualities in students and to give them a feel of functioning of the administrative body, a school cabinet was chosen and the Investiture Ceremony was held on April 27, 2018 and May 16, 2018 for the Senior Wing and Primary Wing respectively. The Investiture ceremony signifies the reliance and confidence that the school consigns in the newly invested office bearers. Donning the mantle of accountability, they also pledge to bestow their duties to the best of their abilities.

# CELEBRATIONS GALORE

## FOUNDER'S DAY

With the aim of providing holistic education in the Delhi & NCR region Blue Bells Group extended itself by laying the foundation stone of Blue Bells Public School on 25<sup>th</sup> October 2001 and the First Academic Session started on April 10, 2003. The school celebrated Founder's Day on April 10, 2018 to commemorate the Academic Anniversary of the school. The Celebration started for the day commenced with an auspicious Hawan adorned by the gracious presence of our Dr. Saroj

Suman Gulati, Honourable Director, BBGS. Thereafter, the students presented a small well synchronized and crisp Morning Assembly encompassing the achievements of Blue Bells Public School in the last fifteen years under the radiant leadership of our esteemed Director Ma'am.

## A TRIBUTE TO THE VISIONARY: GREEN DAY

The school commemorated the Birth Anniversary of Shri. B.D. Gulati ji, revered Founder Chairperson, BBGS, by celebrating Green Day on April 20, 2018 with an earnest attempt to sensitize the students on the necessity to protect Mother Nature, an endeavour in sync with Sir's vision, idealism and philosophical perspective.

## HONOURING THE DIGNITY OF WORK : "ABHAAR" - LABOUR DAY

Labour Day was celebrated in the school premises on May 1, 2018 to express the heartfelt gratitude to the support staff of the institution in recognition of the hard labour put in by them. Various games and activities were conducted in which all the employees participated with utmost enthusiasm and zeal.

## MOTHER'S DAY

To express the gratitude to the divine bliss of God i.e. Mother, Blue Bells Public School celebrated Mother's Day on May 5, 2018. It was the heartiest tribute to the unfathomed love, unconditional support and affection ushered by the mother to her child to make him a unique and splendid personality. The occasion was graced by Dr. Saroj Suman Gulati, esteemed Director, BBGS and Dr. Alka Saxena, Deputy Director (Health and Wellness), BBGS. Various Presentations were organized to unearth the latent talents hibernating in each team comprising of mother and child.

## REGULARITY AND PUNCTUALITY AWARD

The students who had achieved the tough target of registering 100% attendance in the last academic session 2017 - 18 were honoured with Regularity & Punctuality Awards on May 16, 2018 & May 18, 2018 for the Primary & Senior Wing respectively. The young achievers were felicitated by the Vice Principal and respective Wing Incharges of the school.

## AWARDS CEREMONY

We, at Blue Bells perceive things, persevere for long, to concretize our dreams on the floor of realism and in reality. Success provides happiness when it is affirmed not only by one's own self but by others. To honour the meritorious achievers of the Session 2017-18, Annual Award Ceremony was organized for the students of Classes Nursery to XI on May 19, 2018.
