'With indomitable spirit in mind and action, I can win, win and win'

The most precious gift of God is the smile on the faces of the children and if in some measure we are able to retain this smile we are definitely doing our bit in creating 'Happy Schools' and a 'Happy Society'. For us at Blue Bells, it is most gratifying to see our students 'smile' with the sense

of achievement which is the outcome of their years of hard work and positive grooming. The brilliant result of our students in AISSCE and AISSE - 2019 is a reflection of their vision and determination to set new benchmarks and carry forward the legacy of their alma-mater. I wish to extend my heartiest congratulations to all our students, their parents and teachers whose collaborative efforts have upheld the mission of the school to groom and nurture futuristic leaders. To my students I would like to say

Ashish Gulati
Vice Chairperson
Blue Bells Group of Schools

'When you wish for a star
Makes no difference who you are
Anything that your heart desires
Will come to you.'
So remain committed and the 'Best' will
always be yours.

OUR ACHIEVERS

“Their mind could conceive it, their heart could believe in it and they achieved it finally.”

Excellence is a gradual culmination of always striving to do better. It is doing a common thing in an uncommon way. Blue Bellians have recreated history and magic yet again. Their sincerity, dedication and self-belief in their capabilities have again reaped rich dividends as the students of Classes XII and X gave an exceptional performance in the AISSCE and AISSE 2019. They have made our institution proud by bringing laurels to their alma mater
